HONORABLE MARIO J. VAGGE, Mayor

1964 - 1965

Jan. 1, 1964

HONORARY CLERK, MONSIGNOR COLLINS, REVEREND RIGHTER, ELECTED CITY OFFICIALS, LADIES AND GENTLEMEN. GOOD MORNING.

I feel extremely humble this New Year's Day for you have chosen me to be your Mayor for a fourth term. I have tried to give you good government for the past six years and with God's help and guidance I will try to represent you in the manner you so richly deserve.

I would like to talk about the importance of our City Officials for a moment. Nowhere is excellence more necessary today than among those charged with the management of public affairs and excellence cannot be sustained indefinitely without public recognition. If we avoid a realistic appraisal of our public-service personnel, we kid both ourselves and the public. If, however, in our effort to be objective, we dwell on faults and fail to recognize the merits of public servants, we play into the hands of the thoughtless who are all too ready to seize upon any criticism as confirmation of their wholesale negative views about the public servant. Now, the usual resolution of such a predicament is to say: we shall rely on the facts without too much concern about their consequences. But the question of how public servants approach the ideal needed for our times, lends itself not so much to scholarship as to statesmanship.

First, there are few real facts, mostly informed opinions. Second, the way in which we choose and present the views, even views of individuals of whom we can reasonably expect competence and impartiality, can have a favorable or unfortunate impact on the effectiveness of any given governmental jurisdiction if someone is disposed to use or misuse these observations for political gain.

I cannot conceive that Nashua whose advancement has come from a blending of ideal and common sense, will lose its capacity for greatness, its respect for reason, its determination to correct wrongs where they exist, or its desire to extend the common good for all citizens.

But, I think Nashua and its people are becoming increasingly aware of the desirability of meeting the challenge before it becomes a crisis. I think we have grown in experience

and knowledge sufficiently to be able and willing to look at our problems objectively, rather than ignoring them or refusing to admit that they exist. And I believe we are wise enough to seek to overcome those problems with confidence and ingenuity, rather than to dismiss them with hopeless despair and a certainty of failure.

While the areas of local governmental participation and accountability have grown, so the means of effectively carrying out those enlarged duties have altered and changed. Citizen participation, unwanted for so many years, has become not only desirable, but essential both to public officials and to municipal progress itself. And with that participation has come a broadening of goals and a shaping of purpose — the knowledge that the responsibility of developing a full city, like the training of a full person, belongs to all groups in our society and requires not only their interest, but their full talents and resources as well.

None of this, in any way, reduces the importance of the public official, or relieves him of the civic and the political leadership he must provide. Indeed, the office looms larger and the leadership becomes more imperative and more effective as the base of activity expands, and the partnership of citizen action becomes more widespread. Keeping in mind when formulating plans they must improve the community as a complete unit. Realizing we cannot satisfy all our good citizens, many unpopular decisions must be made. But let me remind you that Nashua enjoys a strong economic position. This is only done with good planning. Let's keep it this way.

I have learned that dealing effectively with problems required more than attending wakes, shaking hands and tending to party functions. The successful mayor of today must be more than a ceremonial leader. He must also be a planner, organizer, a lobbyist and a technician. He must be both the conscience and the leader of his community.

Actually, I believe no office I have ever held in private life has provided the excitement or the rewarding sense of accomplishment as being a Mayor. I make this observation from having spent more than forty years in public affairs. The reason is rather obvious to me. Local government has the grass roots advantage of being closest to the people. You can see the problems with your own eyes and measure your progress in solving them right on the scene.

I won't bore you with all the details of our programs in action today. But in the list of actions I will run through quickly, I hope you will share my pleasure and encouragement in the knowledge that our community, which had hungered for many years for success on any major project, now finds itself jointly engaged in many.

Completed: High Street development to help preserve the downtown area which will produce $25,000 or more new revenue annually and better to serve your needs; the Water Street Ramp to expedite West bound traffic (A rough count of over 8000 cars daily use this facility); the Sanitary Treatment Plant and over thirty miles of pipeline now in operation to de-pollute Nashua streams and create a healthier Nashua; Senior Citizens Low-Rent Housing being enjoyed by many of our citizens that helped build Nashua; The Federal Air Center with an annual payroll of $3 million; our Airport has been expanded to accommodate the heavy local air traffic; The New Bishop Guertin High School will be completed for use this September; 1300 New Homes and over thirty miles of New Streets; The New Fire Station; The New Sanitary Fill Area with Rubbish Burner — another program to assist our Health Department. All these and much more you have read about have all been completed in the last six years. We are not through. We are in the planning stages of removing more blight, planning more housing, more fire protection, more school rooms, more recreational facilities, more industrial locations, improved library facilities, and also many controversal projects that should be resolved for the best interest of all Nashua and to keep us in balance and on the move as New England's most progressive city.

All the aforementioned projects were thoroughly planned with you the tax payer my uppermost responsibility. It has been a paramount struggle keeping pace with our progress to keep Nashua on the move and well balanced. Most important, within your ability to pay. May I also add I have never in my six years as your Mayor ever favored a few unless it benefited the whole community. I deplore deals and I never will be any part of one. I hope that the projects we have on the planning boards can be completed the next two years. If not, I may ask you to support me for two more.

Unfortunately, popular programs are not always the best programs for the community. In fact, the most essential long-range community programs usually are the most

unpopular — and this is usually because they are expensive or misunderstood.

I have also found that ability to make hard decisions and to provide resolute leadership, even in matters of great argument and disagreement, has far less risk to it than the consequences of uncertainty and inaction, itself. I do not believe, in short, that we will ever succomb to fear or forsake reason for emotion.

I congratulate the newly elected City Officials and trust they will study our problems well, seeking information and making sure they have the facts and how it will effect our city, before casting their votes.

Please accept my sincere thanks for your kindness and understanding you have favored me the past six years and I ask for your cooperation for the next two.

Happy New Year and God Bless You.

CITY GOVERNMENT 1963 - 1964

REPORT

OF AN EXAMINATION AND AUDIT

OF THE ACCOUNTS

OF THE

CITY OF NASHUA

FOR THE FISCAL YEAR ENDED

DECEMBER 31, 1963

made by

THE DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

June 22, 1964

To the Mayor and Board of Aldermen

Nashua, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the City of Nashua for the fiscal year ended December 31, 1963, which was made by this Division in accordance with your request. Exhibits as hereinafter listed are included as part of the report.

SCOPE OF AUDIT

The accounts and records of all city officials charged with the custody, receipt and disbursement of city funds were examined and audited. An examination was made of a sufficient number of vouchers, payrolls and cancelled checks to satisfy the requirements of accepted standards of audit procedure. Receipts were checked by source insofar as possible. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

Comparative Balance Sheets (Revenue Accounts) — December 31, 1962 — December 31, 1963: (Exhibit A-1)

Comparative Balance Sheets (Revenue Accounts) for the fiscal years ended December 31, 1962 and December 31, 1963, are presented in Exhibit A-1. As indicated therein the Surplus decreased by $56,871.98, from $321,283.05 to $264,-411.07 in 1963.

Analysis of Change in Current Financial Condition: (Exhibit B-1)

An analysis of the change in the current financial condition of the City during the year is made in Exhibit B-1, with the factors which caused the change indicated therein. These were as follows:

Decrease in Surplus

Adjustment a/c Excess Credit — Levy of 1962	$ 997.70	
Abatements in Excess of Overlay Reserve — 1962	713.90	
Additional Appropriations from From Surplus	33,200.00	
Loan from Non-Revenue Cash	200,000.00	
1958 Taxes Written Off	12,284.20	
Overpayments Refunded (Net)	335.89	
		$247,531.69

Increase in Surplus

Net Budget Surplus	$160,730.25	
Prior Years' Head Tax Collections Transferred to Surplus	11,501.50	
Excess Credits — Tax Collector	8.00	
Revenue Cash Adjustment	7.27	
Yield Tax Adjustment	147.78	
1958 Overlay Written Off	18,021.14	
1961 Checks Cancelled	122.64	
1962 Overpayment Refunded	92.75	
Prior Years Unredeemed Taxes Collected	28.38	
		190,659.71
Net Decrease		$ 56,871.98

Decrease in Bonded Indebtedness:

The bonded indebtedness of the City (including School debt) decreased by $176,000.00 in 1963, as shown herewith:

	Bonded Debt December 31, 1962	Bonds Issued in 1963	Bonds Retired in 1963	Bonded Debt December 31, 1963
Sewer, Health & Sanitation Loans	$2,360,000.00	—0—	$ 165,000.00	$2,195,000.00
Widening Main & Water Streets	100,000.00	—0—	20,000.00	80,000.00
Public Improvement Loans	276,000.00	—0—	21,000.00	255,000.00
Fire Equipment Loans	3,000.00	—0—	3,000.00	—0—
School Loans	4,686,000.00	—0—	292,000.00	4,394,000.00
Parking Lot Loans	425,000.00	$ 350,000.00	25,000.00	750,000.00
	$7,850,000.00	$ 350,000.00	$ 526,000.00	$7,674,000.00

Statement of Bonded Indebtedness: (Exhibit W)

A statement of outstanding bonded indebtedness as of December 31, 1963, showing annual debt service requirements, is contained in Exhibit W.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits D & E)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1963, are presented in Exhibits D and E. As indicated therein, a net unexpended balance of appropriations of $64,336.19, plus a revenue surplus of $96,394.06, resulted in a net budget surplus of $160,730.25.

Tax Collections:

Tax collections (exclusive of State Head Taxes) of the current year's levy, as compared to taxes assessed, for the years 1962 and 1963 were as follows:

	Levy of 1962	Percent	Levy of 1963	Percent
Taxes Assessed—Current Year's Levy	$5,337,381.67		$5,471,388.44	
Taxes Collected - Current Year's Levy	$4,861,693.30	91.1%	$4,962,457.76	90.7%
Taxes Abated - Current Year's Levy	21,501.51	.4%	20,395.52	.4%
Uncollected Taxes - Current Year's Levy	454,186.86	8.5%	488,535.16	8.9%
	$5,337,381.67	100.0%	$5,471,388.44	100.0%

GENERAL COMMENTS

Poll and Head Taxes:

It is noted that substantial amounts of head and poll taxes are added to the lists and collected subsequent to the commitment of the original warrants to the Collector as indicated herewith:

POLL TAXES

Levy of 1962:

Added in 1962	$ 1,390.00	
Added in 1963	1,382.00	
Total Amount Added to 1962 Warrant		$ 2,772.00

Levy of 1963:

Added in 1963	$ 1,918.00	
Added in 1964 (To Date of Audit) June 10, 1964	2,048.00	
Total Amount Added to 1963 Warrant		$ 3,966.00

HEAD TAXES

Levy of 1962:

Added in 1962	$ 3,775.00	
Added in 1963	4,390.00	
Total Amount Added to 1962 Warrant		$ 8,165.00

Levy of 1963:

Added in 1963	$ 5,470.00	
Added in 1964 (To Date of Audit) June 10, 1964	6,760.00	
Total Amount Added to 1963 Warrant		$ 12,230.00

To remedy this situation, the following recommendations are made:

(1) A more thorough and complete census of poll and head taxpayers should be made prior to the commitment of the original warrants to the Tax Collector in order that most of the taxes now reported as "added" may be included therein.

This is of particular importance in the case of head taxes inasmuch as the 10% fee which the City retains for the collection of these taxes applies only to taxes which are included in the original warrant and not to any additions thereto. This results in a revenue loss to the City.

(2) Poll and Head tax warrants should be completely made out and signed by the Board of Assessors before being committed to the Tax Collector.

Tax Deeds:

Substantial amounts of unredeemed taxes on account of tax sales for the levies of 1960 and prior years, as of December 31, 1963, were reported as follows:

	Unredeemed Taxes	Assessed Valuation of Properties
Levy of 1960	$ 2,729.93	$ 44,000.00
Levy of 1959	1,502.77	24,000.00
Levy of 1958	1,757.98	29,000.00
Levy of 1957	1,817.58	33,000.00
Levy of 1956	3,216.63	60,000.00
Levy of 1955	458.46	9,000.00
Levy of 1954	1,211.88	23,000.00
Levy of 1953 & Prior Years	6,851.64	140,000.00
Total	$ 19,546.87	

Inasmuch as the two year period provided by law for redemption from tax sales has expired, the Tax Collector should give deeds to the City for the properties represented by the unredeemed tax liens as herewith indicated.

The assessed valuation of the properties represented by the unredeemed tax liens is also indicated in the above statement.

Acquiring these properties through Tax Collector's deeds should serve a two-fold purpose:

(1) Additional revenue will be received when they are subsequently sold to private owners.

(2) Their return to the tax rolls will result in the collection of additional taxes.

Loan from Non-Revenue Cash:

It is noted that during 1963 the General Fund borrowed $200,000.00 from the Non-Revenue Cash Fund. This is shown as a Liability Account in the Revenue Account Balance Sheet of December 31, 1963.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the City.

We extend our thanks to the officials of the City of Nashua and their office staffs for the assistance rendered during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director

Division of Municipal Accounting
State Tax Commission

O. Maurice Oleson
Lionel J. DeGrace
Frederick E. Laplante
Auditors

Laurence M. Bean, *Accountant*

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the City of Nashua for the fiscal year ended December 31, 1963. In our opinion, the Exhibits included herewith reflect the true financial condition of the City on December 31, 1963, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

O. Maurice Oleson
Lionel J. DeGrace
Frederick E. Laplante

RESOLUTIONS
PASSED BY THE
BOARD OF ALDERMEN
1963

RESOLUTION

RELATIVE TO AN EXPENDITURE NOT TO EXCEED $3,000.00 FOR ENLARGING THE VAULT AT CITY HALL CITY OF NASHUA

(Endorsed by Alderman Francis LaFlamme)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-two

RESOLVED, By the Board of Aldermen of the City of Nashua

That the Board of Aldermen authorize the City Clerk to make an expenditure not to exceed Three Thousand ($3,000.00) Dollars for enlarging the vault at the City Hall, and that said expense be taken from the Surplus Fund.

RESOLUTION

GRANTING A PENSION TO ALFRED J. PELLETIER
CITY OF NASHUA

(Endorsed by Alderman Francis LaFlamme)

In the Year of our Lord One Thousand Nine Hundred and Sixty-two

RESOLVED, By the Board of Aldermen of the City of Nashua

That pursuant to the provisions of Section 57, Chapter 31, of the Revised Statutes Annotated of the State of New Hampshire as adopted by a Resolution passed August 14, 1951, and in accordance with Part IV, Chapter VII of the Revised Ordinances of the City of Nashua, a pension in the amount of One Thousand Three Hundred Ninety-Five ($1,395.00) Dollars annually be and is hereby granted to Alfred J. Pelletier, a former employee of the Nashua Police Department, having served twenty-five years on said Department.

Be it further resolved that said pension be paid weekly at the rate of $26.82 for fifty-one weeks, and $27.18 for one week, effective January 1, 1963.

RESOLUTION

ADOPTING FOR THE CITY OF NASHUA A POLICY
OF "OPEN OCCUPANCY" IN THE AREA OF HOUSING
CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, the City of Nashua is presently engaged in a major program of redevelopment and urban renewal; and

WHEREAS, in the course of this program and the programs that will follow in the years to come, every effort will be made to wipe out blighted and deteriorating areas and to provide better housing for our citizens who are in need of it; and

WHEREAS, in the course of executing redevelopment programs the local public agency for redevelopment and urban renewal is responsible for the relocation of families involved into suitable, meaning safe, decent and sanitary housing; and

WHEREAS, a number of the families to be relocated within the City of Nashua are members of minority races; and

WHEREAS, in the past it has not always been possible or easy to relocate families of minority races based upon the experience of the Relocation Office of the Nashua Redevelopment Agency; and

WHEREAS, the President of the United States recently signed an executive order prohibiting discrimination against persons of any race, color or creed in housing projects or programs sponsored or in any way financed by the Federal Government; and

WHEREAS, the State of New Hampshire has enacted legislation which prohibits discrimination against any person because of race, color or creed in any multiple dwelling with three or more living units in it;

BE IT THEREFORE RESOLVED, that the BOARD OF ALDERMEN of the City of Nashua, hereby declare a policy of open occupancy in this City as is consistent with the laws of the State of New Hampshire and the Government of the United States of America and as is consistent with the moral obligations of all citizens not to deny to any competent person or family the right to a safe, sanitary and decent home, and it is further resolved that this Board does declare this policy of open occupancy to be the spirit and policy of this body and urges enforcement by the appropriate authority or authorities of any legislation that has been enacted to bring about this result, and that the Redevelopment Agency of the City of Nashua be immediately advised of the Board's action and policy and shall be guided by this Resolution in the implementation of its future actions and proceedings.

RESOLUTION

LAYING OUT A COMMON SEWER AND ASSESSING DAMAGES FOR SEWER EASEMENTS FOR SALMON BROOK INTERCEPTOR CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

1. That there is occasion and need for the layout of a sewer for the Salmon Brook Interceptor within the City of Nashua.

2. That there is occasion and need for the layout of Sewer Easements in the site described in the Petition of Leo R. Lesieur submitted to this Board and dated November 2, 1962.

3. That the City of Nashua has been unable to acquire by contract or otherwise, for a reasonable price, the tract of land for which damages are hereby assessed.

4. The following described Easements, to be taken by condemnation proceedings from the owners of said land as in layout of highways by selectmen, and that the area included in the following descriptions of easements of land be and is hereby laid out for the Salmon Brook Interceptor. That the location and limits of sewer easements required for the Salmon Brook Interceptor are shown on West Allds Street and Lund Road and are shown on three consecutive plans identified as Sheets 4, 5 and 6, numbered 249 - 2961 to 2963 inclusive.

The following description applies to easements shown on Sheets 4, 5 and 6 prepared by Camp, Dresser & McKee, Consulting Engineers, Boston, Massachusetts, dated July, 1959 and as revised June 12, 1962

and entitled "Plan of Sewer Easements for Salmon Brook Interceptor". The location of the permanent easement centerline is hereafter described in accordance with the plan. The permanent sewer easement is 20 feet wide with sides parallel to and 10 feet from the described centerline. The temporary easement is 50 feet wide with sides parallel to and 25 feet from the described centerline and is to exclude any land under existing buildings.

CENTERLINE DESCRIPTION

Beginning at a point on the southerly line of West Allds Street 17 feet east of the west end of said street.

Thence S 73°-00' W 124 feet to a point,
Thence S 67°-00 W 218 feet to a point,
Thence S 48°-30' W 324 feet to a point,
Thence N 81°-00' W 104 feet to a point,
Thence S 37°-00' W 170 feet to a point,
Thence N 84°-00' E 208 feet to a point,
Thence S 33°-00' W 102 feet to a point,
Thence S 27°-30' W 373 feet to a point,
Thence S 18°-00' W 322 feet to a point,
Thence S 63°-30' W 347 feet to a point,
Thence S 46°-00' W 394 feet to a point,
Thence S 83°-30' W 348 feet to a point,
Thence S 19°-30' E 412 feet to a point,
Thence S 18°-00' E 465 feet to a point,
Thence S 11°-00' E 201' feet to a point,
Thence S 28°-30' E 349 feet to a point,
Thence S 20°-00' E 830 feet to a point,

(All dimensions and bearings shall be understood to be more or less).

The centerline of the easement shall end at a point on the easterly line of Lund Road, 57 feet northwesterly from the northwest corner of lot 101.

The following list of Easement Parcels identifies the lots and owners affected by the sewer easements and also tabulates the areas of permanent and temporary easements to be obtained from each owner. It should be noted that temporary easement areas include the permanent easement areas.

RESOLUTION

RESOLUTION AMENDING RESOLUTION ENTITLED "RESOLUTION OF THE NASHUA BOARD OF ALDERMEN APPROVING UNDERTAKING OF SURVEYS AND PLANS FOR URBAN RENEWAL PROJECTS ON THREE-FOURTHS CAPITAL GRANT BASIS AND THE FILING OF REQUEST FOR CONCURRENCE BY ADMINISTRATOR IN COMMENCEMENT THEREOF"

PARK STREET AREA AND MYRTLE STREET AREA

AS PASSED BY THE BOARD OF ALDERMEN ON JUNE 12, 1962

CITY OF NASHUA

(Endorsed by Alderman Francis LaFlamme)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

That resolution entitled **"Resolution of the Nashua Board of Aldermen Approving undertaking of Surveys and Plans for urban renewal projects on three-fourths capital grant basis and filing of request for concurrence by administrator in commencement thereof"** (Park Street Area and Myrtle Street Area) BE AMENDED AS FOLLOWS:

In section 3, insert after "Federal financial assistance under Title I, including" — the following: "Those prohibiting discrimination because of race, color, creed or national origin and".

SECTION THREE AS AMENDED, SHALL READ AS FOLLOWS:

3. That it is cognizant of the conditions that are imposed in the undertaking and carrying out of urban renewal projects with Federal financial assistance under Title I, including those prohibiting discrimination because of race, color, creed or national origin and those relating to the relocation of site occupants and the provision of local grants-in-aid and the requirement that as a condition to the execution of a contract for a loan or capital grant for an urban renewal project the locality must present to the Housing and Home Finance Administrator a workable program for community improvement, as set forth in Section 101 (c) of Title I, for utilizing appropriate public and private resources to eliminate and prevent the development or spread of slums and urban blight; and that it is the sense of this body: (a) that a feasible method for the relocation of families displaced from the Urban Renewal Area, in conformity with the requirements of Title I, can be prepared, (b) that local grants-in-aid can and will be provided in an amount which will be not less than one-fourth of the net project cost of the Project and which, together with the Federal capital grant, will generally be equal to the difference between gross project cost and the proceeds or value of project land sold, leased, or retained for use in accordance with the urban renewal plan.

RESOLUTION

AUTHORIZING THE MAYOR AND TREASURER TO ISSUE BONDS IN THE AMOUNT OF THREE HUNDRED AND FIFTY THOUSAND ($350,000.00) DOLLARS TO PAY THE COST OF PURCHASE OF PROPERTY IN THE HIGH STREET PROJECT FOR THE CONSTRUCTION OF A RAMP AND PARKING LOT, AND THE RECONSTRUCTION OF HIGH STREET AND WATER STREET

CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

That the Mayor and the City Treasurer are hereby authorized to issue and sell, under the direction of the Finance Committee, negotiable general obligation coupon bonds of the CITY OF NASHUA, in the aggregate principal amount of Three Hundred Fifty Thousand ($350,000.00) Dollars. Said bonds are to be issued for the purpose of paying the costs of the purchase of property in the High Street Project, the construction of a ramp and parking lot, and the reconstruction of High Street and Water Street, said areas located Westerly of Main Street, Nashua, and the expected useful life of said improvement is hereby determined to be forty (40) years.

Said bonds shall be general obligations of the City of Nashua, payable as to both principal and interest from ad-valorem taxes which will be levied without limitations as to rate or amount on all taxable property within the territorial limits of the City of Nashua.

Both principal and interest shall be payable at the office of the City Treasurer, Nashua, New Hampshire, or at the holder's option, at the First National Bank of Boston, Boston, Massachusetts.

The coupons shall bear the facsimile signature of the City Treasurer. None of the said bonds shall be obligatory without the authenticating certificate of the said First National Bank of Boston endorsed thereon.

RESOLUTION

LAYING OUT PUBLIC HIGHWAY AND ASSESSING DAMAGES ON LAND OF THE C. H. AVERY, COMPANY, INC.

CITY OF NASHUA

(Endorsed by Alderman Francis LaFlamme)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

(1) That there is occasion and need for the layout of public highway within the City of Nashua.

(2) That there is occasion and need for the layout of a public highway in the site described in the Petition of Leo R. Lesieur submitted to this Board and dated January 3, 1963.

(3) That the City of Nashua has been unable to acquire by contract, or otherwise, for a reasonable price, the tract of land for which damages are hereinafter assessed.

(4) The following described tract of land, to be taken by condemnation proceedings from the owner of said land as in the layout of highways by Selectmen, and that the area included in the following description of land be and is hereby laid out as a public parking area:

A certain tract of land situate in Nashua, on the south side of the Nashua River and the northerly side of Factory Street, bounded and described as follows:

Beginning at the southwest corner of land now or formerly of Avery: thence running (1) Northerly by said Avery land fifty-four (54) feet, more or less, to a stone bound set in the ground at the northwest corner of land now or formerly of Avery; thence turning and running (2) Westerly to a stone set in the ground; thence turning and running (3) Southerly forty-five (45) feet, more or less, to a mark made in the wall at the north side of Factory Street; thence turning and running (4) by the north side of Factory Street fifty-eight (58) feet, more or less, to the first bound mentioned.

(5) That damages be assessed to the owners of the above described tract as set forth opposite the name below:

..... The C. H. Avery Company, Inc. $5,800.00

(6) That the sum of Five Thousand Eight Hundred ($5,800.00) Dollars is hereby appropiated for payment of damages hereinbefore specified, said sum to be paid out of the Parking Meter Fund.

(7) That His Honor, Mayor Mario J. Vagge, be and is hereby authorized to tender to The C. H. AVERY COMPANY, INC., the sum of Five Thousand Eight Hundred ($5,800.00) Dollars in payment of damages assessed herein.

RESOLUTION

AUTHORIZING HIS HONOR, MAYOR MARIO J. VAGGE TO CONVEY CERTAIN REAL ESTATE ON HIGH STREET CITY OF NASHUA

(Endorsed by Alderman Francis LaFlamme)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized and empowered to convey for and in consideration of Four Thousand Seven Hundred and Seventy Six ($4,776.00) Dollars to Oscar F. and Annie K. Bergeron of Nashua, County of Hillsborough and State of New Hampshire, the following real estate.

Beginning at the northeasterly corner of the premises on the southerly line of High Street a distance of 106.55 feet west of the easterly boundary of the High Street Redevelopmnt Project; thence

(1) South 3° 25' East a distance of 15.75 feet; thence
(2) South 86° 35' West a distance of 29.50 feet; thence
(3) South 3° 25' East a distance of 20.00 feet; thence
(4) South 86° 35' West a distance of 36.00 feet; thence
(5) North 3° 25' West a distance of 20.13 feet; thence
(6) North 85° 38' 40" West a distance of 39.61 feet to the easterly line of School Street; thence
(7) North 3° 25' West by said School Street a distance of 15.91 feet to the southerly line of High Street; thence
(8) South 85° 38' 40" East by said High Street a distance of 41.67 feet to an angle point; thence
(9) North 86° 35' East also by said High Street a distance of 63.45 feet to the point of beginning.

Containing 2,388 square feet and being the comfort station lot as shown on a plan of Disposition Parcel P-3 Area, High Street Project No. UR N. H. 4-1 by David H. Hamilton, Surveyor, dated February 13, 1963.

Said conveyance made subject to the following conditions and to all conditions set out in letter of Oscar Bergeron dated November 26, 1962 to Alderman James Larrabee, Chairman of Traffic Committee, as to usage and as to plans and specifications attached to said letter.

(A) The comfort station shall be maintained for public use by the owner in the following manner:

1. Shall be kept in a sanitary condition at all times in compliance with the requirements of the Nashua Board of Health.
2. Shall be properly heated and lighted at all times.
3. Shall remain open each and every day from the hours of 6:00 A. M. to 10:00 P. M.
4. The Comfort Station shall have one free toilet in both the men's and women's sections. All proceeds from coin boxes of all other toilets shall be the property of the owner.

RESOLUTION

LAYING OUT PUBLIC HIGHWAY AND ASSESSING DAMAGES ON LAND OF YVONNE C. CHARRON

CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

(1) That there is occasion and need for the layout of public highway within the City of Nashua.

(2) That there is occasion and need for the layout of a public highway in the site described in the Petition of Leo R. Lesieur submitted to this Board and dated January 15, 1963.

(3) That the City of Nashua has been unable to acquire by contract, or otherwise, for a reasonable price, the tract of land for which damages are hereinafter assessed.

(4) The following described tract of land, to be taken by condemnation proceedings from the owner of said land as in the layout of highways by Selectmen, and that the area included in the following description of land be and is hereby laid out as a public highway:

A certain tract of land located in Nashua, County of Hillsborough and State of New Hampshire, bounded and described as follows:

Beginning at a point in the westerly line of Amherst Street at the S. E. Corner of land now or formerly of Harold M. Rossborough, and running along land of said Rossborough, along land now or formerly of Arthur & Mabel Delage and among land now or formerly of Dynamic Realty Corp. S 61° 50' W., a distance of seven hundred ninety-nine (799'+) feet more or less to a stone bound on the easterly right-of-way line of the Boston & Maine Railroad, Wilton Branch; thence turning and running by said Railroad R. O. W. S. 41° - 39' E., a distance of thirty-two (32'+) feet more or less to a point; thence turning and running along

land now or formerly belonging to George and Yvonne Charron N. 64° - 02' E., a distance of five hundred (500'+) feet more or less to a point; thence turning and running along land of said Charron N. 61° - 50' E., a distance of two hundred ninety-six (296'+) feet more or less to a point in the westerly line of said Amherst Street, thence turning and running along said westerly line of Amherst St. N 33° - 40' W., a distance of fifty (50'+) feet more or less to the point of beginning; all the bearings being magnetic and the parcel containing a calculated area of 34,650 square feet more or less; all in accordance with the plan filed herewith titled "City of Nashua, N. H., Acquisition of Portion of Charron Property for New Airport Access Rd., dated January 11, 1963".

(5) That damages be assessed to the owners of the above described tract as set forth opposite the name below:

.....YVONNE C. CHARRON..... $3,000.00

(6) That the sum of Three Thousand ($3,000.00) Dollars is hereby appropriated for payment of damages hereinbefore specified, said sum to be paid out of the Board of Public Works Budget.

(7) That His Honor, Mayor Mario J. Vagge, be and is hereby authorized to tender to Yvonne C. Charron the sum of Three Thousand ($3,000.00) Dollars in payment of damages assessed herein.

TO THE HONORABLE BOARD OF ALDERMEN:

Gentlemen:

Under the provisions of Chapter IV, Section 7 of the Revised ordinances of the City of Nashua (1950), I submit, herewith, my recommendations for the necessary amount of money which should be appropriated for the several departments and other needs of the City of Nashua for the year 1962, and, for the purposes of Section 3, Part 1 of Chapter VII of the Revised Ordinances of the City of Nashua, each item of this budget shall be considered as a separate appropriation.

For convenience, account numbers have been assigned to each item of the budget. When a department makes an expenditure it will be charged on their books to their appropriate account number. All departments will make regular monthly reports to the Mayor's Office of their monthly expenditures and unexpended balances under each item. These reports will be consolidated on a master sheet and kept on file in the Mayor's Office for the convenience of the Finance Committee and inspection of the Board of Aldermen.

Eash department has been given a different key alphabetical letter to identify its own individual itemizations. In order that comparisons may readily be made between departments of their expenditures for comparable items or to determine easily total City spending for certain specific items, the account numbers are uniform. There are 18 standard items, some of which are indicated by the decimal point and additional numbered classifications. Any item listed after 18 is not one found in the other departments, thus all items beginning with 19 are peculiar to the department concerned. The key for the standard account numbers is as follows:

Acct. No.	Items
1	Payroll
2	Telephone
3	Electricity
4	Water
5	Insurance
6	Postage
7	Office Supplies & Services
8	Printing
9	Building Supplies & Services

RESOLUTION

AUTHORIZING HIS HONOR, MAYOR MARIO J. VAGGE TO CONVEY CERTAIN REAL ESTATE ON HIGH STREET

CITY OF NASHUA

(Endorsed by Alderman Francis LaFlamme)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized and empowered to convey for and in consideration of FOUR THOUSAND SEVEN HUNDRED AND SEVENTY SIX ($4,776.00) DOLLARS to Oscar F. and Annie K. Bergeron of Nashua, County of Hillsborough and State of New Hampshire, the following real estate.

Beginning at the northeasterly corner of the premises on the southerly line of High Street a distance of 106.55 feet west of the easterly boundary of the High Street Redevelopment Project; thence

(1) South 3° 25' East a distance of 15.75 feet; thence
(2) South 86° 35' West a distance of 29.50 feet; thence
(3) South 3° 25' East a distance of 20.00 feet; thence
(4) South 86° 35' West a distance of 36.00 feet; thence
(5) North 3° 25' West a distance of 20.13 feet; thence
(6) North 85° 38' 40" West a distance of 39.61 feet to the easterly line of School Street; thence
(7) North 3° 25' West by said School Street a distance of 15.91 feet to the southerly line of High Street; thence
(8) South 85° 38' 40" East by said High Street a distance of 41.67 feet to an angle point; thence
(9) North 86° 35' East also by said High Street a distance of 63.45 feet to the point of beginning.

Containing 2,388 square feet and being the comfort station lot as shown on a plan of Disposition Parcel P-3 Area, High Street Project No. UR N. H. 4-1 by David H. Hamilton, Surveyor, dated February 13, 1963.

Said conveyance made subject to the following agreements and to all agreements set out in letter of Oscar Bergeron dated November 26, 1962 to Alderman James Larrabee as to usage and as to plans and specifications attached to said letter.

(A) The comfort station shall be maintained for public use by the owner in the following manner.

1. Shall be kept in a sanitary condition at all times in compliance with the requirements of the Nashua Board of Health.
2. Shall be properly heated and lighted at all times.
3. Shall remain open each and every day from the hours of 6:00 A.M. to 10:00 P.M.
4. The Comfort Station shall have one free toilet in both the men's and women's sections. All proceeds from coin boxes of all other toilets shall be the property of the owner.

Nothing herein shall be construed to create a right of reverter or right of entry in the Grantor, its successors or assigns.

Said Resolution amending Resolution passed March 26, 1963 which is hereby rescinded.

RESOLUTION

AMENDING THE RESOLUTION APPROVED DECEMBER 26, 1957, ENTITLED "RELATIVE TO OLD AGE AND SURVIVOR'S INSURANCE

CITY OF NASHUA

(Endorsed by Aldermen Francis LaFlamme and Robert B. Welts and Lionel Guilbert)

In The Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

That the Resolution approved December 26th, 1957 entitled, **"Relative to Old Age and Survivor's Insurance"** be amended by deleting Paragraph 6 of said Resolution and inserting the following paragraph in its place.

Be It Further Resolved: that the retirement system now in effect be integrated with the Old Age and Survivor's Insurance System,

So that for all employees or city officials described in paragraphs 1 and 2 above eligible for pension and with less than 25 years service, the Social Security benefits will be offset against the benefits payable under the city retirement system; that for all employees or city officials eligible for pension with 25 years or more service and less than 30 years service, one-half of the Social Security benefits will be offset against the benefits payable under the city retirement system; that for all employees or city officials eligible for pensions and with 30 years service or more, the Social Security benefits will not be offset against the benefits payable under the city retirement system and provided further that no city employee or official will be eligible for a retirement pension until said employee or official has reached the age of sixty or has completed 30 years of service for the City, except that the 60 year age limitation or 30 years of service limitation will not apply to employees or officials who have completed 20 years of service with the city on or before July 1, 1963.

RESOLUTION

AUTHORIZING HIS HONOR, MAYOR MARIO J. VAGGE
TO CONVEY CERTAIN REAL ESTATE ON SAWMILL
ROAD TO IMPROVED MACHINERY, INC.
CITY OF NASHUA

(Endorsed by Alderman Francis LaFlamme)

In The Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

That his Honor, Mayor Mario J. Vagge, be and is hereby authorized and empowered to convey to IMPROVED MACHINERY, INC., the real estate hereinafter described for and in consideration of the payment of eight thousand ($8,000.00) dollars and the release as hereinafter set forth of the City of Nashua from all obligations and agreements under deed of Baldwin Lumber and Box Company to the City of Nashua, recorded Volume 1663, Page 14, of the Hillsborough County Registry of Deeds.

A certain parcel of land situated in the southeasterly part of Nashua in the County of Hillsborough and State of New Hampshire and described as follows:

Beginning at a stone bound at the intersection of the northerly line of Sawmill Road and the easterly line (extended northerly) of Waverly Street; thence

(1) Easterly and by the northerly line of Sawmill Road and the said line extended easterly, a distance of seven hundred thirty-six and seven tenths (736.7) feet to a stone bound; thence

(2) Northeasterly by an interior angle of 125° 45' 30" with the last described line a distance of two hundred sixty (260.0) feet to a stone bound; thence

(3) Easterly by an approximate interior angle of 250° with the last described line a distance of six hundred forty (640) feet approximately, to a point in the westerly line of land now or formerly of the Boston & Maine Railroad, which point is in the center line of the bridge of said Railroad over said Salmon Brook (or the same extended westerly)' thence

(4) Northerly and by said Railroad land partly or all on the bed of said Brook, to land conveyed by Baldwin Lumber & Box Company to Improved Machinery, Inc. by deed recorded in Volume 1663, Page 14, of the Hillsborough County Registry of Deeds, hereinafter termed said Baldwin land; thence (the following boundary lines 5 through 11, both inclusive, are by said Baldwin land and the courses and distances are approximate).

(5) Westerly two hundred ninety (290) feet; thence
(6) Northerly five hundred ninety (590) feet; thence
(7) Westerly one hundred ten (110) feet; thence
(8) Southwesterly two hundred thirty (230) feet; thence
(9) Northwesterly two hundred eighty-five (285) feet; thence
(10) Westerly four hundred fifty-five (455) feet; thence
(11) Southwesterly about four hundred ninety (490) feet to the intersection of the southerly line of said Baldwin land with the easterly line of Waverly Street extended northerly; thence

(12) Southerly by the said easterly line of Waverly Street extended and across said Brook to the point of beginning.

Meaning and intending to include any premises including Salmon Brook and the bed and waters thereof between the said Baldwin land and the area hereinbefore specifically described.

There are expressly excluded from this conveyance:

(1) The ownership of the interceptor sewer line of the Grantor which crosses the said premises; the right to use, replace, repair and maintain said sewer line, and the right to have access thereto for said purposes over the premises granted, over a strip of land twenty feet in width of which the center line shall be the center line of said sewer, doing no unnecessary damage to the premises hereby conveyed and structures which may be placed thereon;

(2) A right and easement in the Public Service Company of New Hampshire to use, replace, repair and maintain the line for the transmission of electricity which is presently located on the premises hereby conveyed in said location, and to have access thereto at such reasonable times and in such reasonable manner as will cause no unnecessary damage to the premises hereby conveyed or structures which may be placed thereon.

Improved Machinery, Inc., as the successor in interest of Baldwin Lumber and Box Company under deed therefrom to the City of Nashua

dated February 24th, 1961, recorded in Volume 1635, Page 90, of Hillsborough County Registry of Deeds, hereby completely releases the City of Nashua of and from all obligations and agreements of said City set forth in the following paragraph thereof:

"It is a condition of this conveyance and by its acceptance of this deed, the City of Nashua agrees that it will construct by December 31, 1962 a public street not less than thirty-two (32) feet wide, extending from Edgeville Street at the northerly line of property of Grantor, southerly through premises of the Grantor, across Salmon Brook Canal and Salmon Brook to Sawmill Road, and that Baldwin Lumber and Box Company will have a right of way over so much of said street as lies within the above-described premises".

FEDERAL AVIATION AGENCY
GRANT AGREEMENT
PART 1—OFFER
Date of Offer: June 20, 1963
Boire Field Airport
Project No. 9-27-017-C305
Contract No. FA-EA-467

TO: City of Nashua, New Hampshire, and Nashua Airport Authority (herein referred to as the "Sponsor")

FROM: The United States of America (acting through the Federal Aviation Agency, herein referred to as the "FAA")

WHEREAS, the Sponsor has subjected to the FAA a Project Application dated April 18, 1963,* for a grant of Federal funds for a project for development of the Boire Field Airport (herein called the "Airport"), together with plans and specifications for such project, which Project Application, as approved by the FAA is hereby incorporated herein and made a part hereof; and

WHEREAS, the FAA has approved a project for development of the Airport therein called the "Project") consisting of the following-described airport development:

Extend runway 455' x 100' NW, including lighting; reconstruct runway pavement 2000' x 100'; overlay runway pavement 1545'; x 100'; construct Taxiway "B" 850' x 40'; construct Taxiway "C" 350' x 40'; construct Taxiway "E" 580' x 50'; clearing in NW and SE clear zones; relocate airport road in SE clear zone; drainage; runway and taxiway marking

all as more particularly described in the property map attached as Exhibit "A" to the Project Application and in the plans and specifications approved on May 13, 1963, by the Chief, Airports Division, FAA, Eastern Region, which are hereby incorporated herein by reference and made a part hereof;

*as revised by letter dated June 17, 1963, signed by Philip D. Labombarde, Vice-Chairman, Nashua Airport Authority

NOW THEREFORE, pursuant to and for the purpose of carrying out the provisions of the Federal Airport Act, as amended (49 U.S.C. 1101), and in consideration of (a) the Sponsor's adoption and ratification of the representations and assurances contained in said Project Application, and its acceptance of this Offer as hereinafter provided, and (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and the operation and maintenance of the Airport as herein provided, THE FEDERAL AVIATION AGENCY, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay, as the United States share of the allowable costs incurred in accomplishing the Project, 50 percent of all allowable project costs.

This Offer is made on and subject to the following terms and conditions:

1. The maximum obligation of the United States payable under this Offer shall be $115,000.00.
2. The Sponsor shall:
   (a) begin accomplishment of the Project within ninety days after acceptance of this Offer or such longer time as may be prescribed by the FAA with failure to do so constituting just cause for termination of the obligations of the United States hereunder by the FAA;
   (b) carry out and complete the Project without undue delay and in accordance with the terms hereof, the Federal Airport Act, and Sections 550.7 and 550.8 of the Regulations of the Federal Aviation Agency (14 CFR 550) in effect as of the date of acceptance of this Offer; which Regulations are hereinafter referred to as the "Regulations";
   (c) carry out and complete the Project in accordance with the plans and specifications and property map, incorporated herein, as they may be revised or modified with the approval of the FAA.
3. The allowable costs of the project shall not include any costs determined by the FAA to be ineligible for consideration as to allowability under Section 550.4(a) of the Regulations.
4. Payment of the United States share of the allowable project costs will be made pursuant to and in accordance with the provisions of Section 550.9 of the Regulations. Final determination as to the allowability of the costs of the project will be made at the time of the final grant payment pursuant to Section 550.9(d) of the Regulations: Provided, that, in the event a semi-final grant payment is made pursuant to Section 550.9(c) of the Regulations, final determination as to the allowability of those costs to which such semi-final payment relates will be made at time of such semi-final payment.
5. The Sponsor shall operate and maintain the airport as provided in the Project Application incorporated herein and specifically convenants and agrees in accordance with its Assurance 4 in Part III of said Project Application that in its operation and the operation of all facilities thereof neither it nor any person or organization occupying space or facilities thereon will discriminate against any person or class of persons by reason of race, color, creed or national origin in the use of any of the facilities provided for the public on the airport.

6. The FAA reserves the right to amend or withdraw this Offer at any time prior to its acceptance by the Sponsor.

7. This Offer shall expire and the United States shall not be obligated to pay any part of the costs of the Project unless this Offer has been accepted by the Sponsor on or before June 30, 1963, or such subsequent date as may be prescribed in writing by the FAA.

8. It is understood and agreed that each contract awarded for construction work under this project is subject to the provisions of the Work Hours Act of 1962, Public Law 87-581. It is further understood and agreed that each such contract will contain stipulations requiring the contractor or subcontractor to pay wages to all laborers and mechanics employed on the work in conformance with the provisions of the Act and that the Sponsor may withhold or cause to be withheld from the contractor or subcontractor so much of the accrued payments as may be considered necessary to pay laborers and mechanics employed by any such contractor or subcontractor on the work the full amount of wages required by the contract and such sums as may administratively be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for liquidated damages as provided by the Act. It is also understood and agreed that, in the event of failure of any contractor or subcontractor to pay any laborer or mechanic employed or working on the site of the work all or part of the wages required by the contract, the FAA may, after written notice to the Sponsor, withhold from the Sponsor so much of the accrued payments or advances representing unpaid wages and liquidated damages.

9. It is understood and agreed that the following is substituted for the provisions of Paragraph 3, Part III, Sponsor's Assurances of the said Project Application: (The Sponsor will not grant or permit any exclusive right for the use of the airport forbidden by Section 308 of the Federal Aviation Act of 1958 and will otherwise comply with all applicable laws, and with the policies of the Federal Aviation Agency with respect to the conduct of aeronautical activities on the airport as set forth in the statement of policy published in the Federal Register of July 25, 1962, (27 F.R. 7054). In furtherance of this covenant (but without limiting its general applicability and effect) the Sponsor specifically agrees that, unless authorized by the Administrator, it will not, either directly or indirectly grant or permit any person, firm or corporation, the exclusive right for the conduct of any aeronautical activity on the airport, including but not limited to, charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether whether or not conducted in conjunction with other aeronautical activities, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity; Provided, that the Sponsor may grant such exclusive right that is permitted under any surplus property instrument of transfer pursuant to which surplus

property was conveyed to the Sponsor by the United States pursuant to the Surplus Property Act of 1944, (61 Stat. 678), as amended.

10. It is recognized by the parties hereto that on February 11, 1963, Part 550 of the Regulations of the Federal Aviation Agency (14 CFR 550) was deleted and superseded by Part 151 of the Federal Aviation Regulations (27 FR 12348). Therefore, it is understood and agreed the Paragraphs 2(b), 3 and 4 of this Grant Agreement are hereby deleted and the following Paragraphs 2(b), 3 and 4 are substituted in their place and stead:

    "2(b) carry out and complete the Project without undue delay and in accordance with the terms hereof, the Federal Airport Act, as amended, and Sections 151.45, 151.47, 151.49, 151.51, 151.53 and 151.55, of the Federal Aviation Regulations (27 FR 12348) in effect as of the date of acceptance of this Offer; which Regulations are hereafter referred to as the 'Regulations';

    "3" The allowable costs of the project shall not include any costs determined by the FAA to be ineligible for consideration as to allowability under Section 151.41 (b) of the Regulations."

    "4. Payment of the United States' share of the allowable project costs will be made pursuant to and in accordance with the provisions of Sections 151.57, 151.-59, 151.61 and 151.63 of the Regulations. Final determination as to the allowability of the costs of the project will be made at the time of the final grant payment pursuant to Section 151.63 of the Regulations: **Provided,** that, in the event a semi-final grant payment is pursuant to Section 151.63 of the Regulations, final determinations as to the allowability of those costs to which such semi-final payment relates will be made at the time of such semi-final payment."

11. The Federal Government does not now plan or contemplate the construction of any structures pursuant to Paragraph 9 of Part III — Sponsor's Assurances of the Project Application dated April 18, 1963, and, therefore, it is understood and agreed that the Sponsors are under no obligation to furnish any such areas or rights under this Grant Agreement.

12. It is understood and agreed that the United States will not make nor be obligated to make any payment under this Grant Agreement until an Agency Agreement, entered into between the City of Nashua, New Hampshire and the Nashua Airport Authority, as principals, and the New Hampshire Director of Aeronautics, as agent, pursuant to applicable laws of the State of New Hampshire, has been submitted to and approved by the FAA as not being inconsistent with the terms and conditions of this Grant Agreement, and that such Agency Agreement will not be amended, modified or terminated without the prior written approval of the FAA.

13. It is understood and agreed that the United States will not pay nor be obligated to pay its share of the cost of off-site obstruction lighting under this project unless and until the Sponsors have submitted satisfactory evidence that the property interest

necessary for the installation, maintenance and operation of such obstruction lighting has been acquired by the Sponsors. The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as herinafter provided, and said Offer and Acceptance shall comprise a Grant Agreement, as provided by the Federal Airport Act, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty years from the date of said acceptance.

RESOLUTION

APPROVING PRICES TO BE PAID BY THE CITY OF NASHUA TO THE NASHUA HOUSING AUTHORITY FOR CERTAIN PARCELS OF LAND INCLUDED IN THE HIGH STREET PROJECT NO. UR N. H. 4-1 CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In The Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, the provisions of paragraphs 3B, 3C and 3D of the Revised Cooperation Agreement, dated March 2, 1962, between the City of Nashua (hereinafter called the "CITY) and the Nashua Housing Authority (hereinafter called the "AUTHORITY") provide for the transfer of certain tracts by the Authority to the City, and for the approval by the City of the prices to be paid to the Authority for parcels S-2, S-7, S-11, S-13, P-1, P-2, P-3, and P-4 as shown on Exhibit B, attached to said Cooperation Agreement; and

WHEREAS, the Housing and Home Finance Agency and the Authority have approved prices to be paid by the City for said parcels,

NOW THEREFORE, BE IT RESOLVED by the Board of Aldermen of the City of Nashua, that the City hereby approves the prices set forth below for the purchase of the respective parcels of land, and that said prices shall be the prices to be paid by the City to the Authority for said parcels upon delivery of deeds to the City;

1. PARCELS FOR STREET WIDENING:

PARCEL NO.	AREA (Sq. Ft)	SALE PRICE	CREDIT TO CITY
S-1	8500	NO CHARGE	
S-2	3960	$7,920.00	$3,960.00
S-3	3401	NO CHARGE	
S-4	1832	NO CHARGE	
S-5	3975	NO CHARGE	
S-6	1150	NO CHARGE	
S-7	263	$ 789.00	$ 394.05
S-8	3104	NO CHARGE	
S-9	1894	NO CHARGE	
S-11	2475	$7,425.00	$3,712.50
S-12	2518	NO CHARGE	
S-13	780	$1,560.00	$ 780.00

TOTAL SALE PRICE $17,694.00
TOTAL CREDITS $8,847.00

2. PARCELS FOR PARKING LOTS:

PARCEL NO.	AREA (Sq. Ft.)	SALE PRICE
P-1	30,473	$60,946.00
P-2	49,618	99,236.00
P-3	1,858	3,716.00
P-4	3,380	6,760.00

TOTAL SALE PRICE $170,658.00

Total price for the purchase of parcels of land for street widening and for parking lots is $188,352.00, of which amount the City of Nashua will receive $8,847.00 credit as a non-cash grant in aid.

BE IT FURTHER RESOLVED that the Resolutions bearing the same title and passed on May 10, 1960 and March 26, 1963, be and are hereby rescinded.

RESOLUTION

LAYING OUT A COMMON SEWER AND ASSESSING DAMAGES FOR SEWER EASEMENTS FOR SPECTACLE BROOK INTERCEPTOR
(Endorsed by Mayor Mario J. Vagge)
CITY OF NASHUA

In The Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

1. That there is occasion and need for the layout of a Sewer for the Spectacle Brook Interceptor within the City of Nashua.

2. That there is occasion and need for the layout of Sewer Easements in the site described in the Petition of Leo R. Lesieur submitted to this Board and dated March 20, 1963.

3. That the City of Nashua has been unable to acquire by contract or otherwise, for a reasonable price, the tract of land for which damages are hereby assessed.

4. The following described Easements, to be taken by condemnation proceedings from the owners of said land as in layout of highways by selectmen, and that the area include in the following descriptions of easements of land be and is hereby laid out for the Spectacle Brook Interceptor.

5. That the location and limits of sewer easements required for the Spectacle Brook Interceptor between the North line of the Fish Hatchery, continuing to Cypress Lane, picking up again at Sherwood Drive to the South Side Line of Pine Hill Road; from the North Side Line of Pine Hill Road, continuing North across the Airport, the Railroad, and to the East Side Line of Deerwood Drive.

6. The following description applies to Easements shown on "Plan of Sewer Easements for Spectacle Brook Interceptor". The location of the permanent easement center-line is hereafter described in accordance with the Plan. The permanent sewer easement is twenty (20) feet wide, with sides parallel to and ten (10) feet from the described center-line. The temporary easement is fifty (50) feet wide, with sides parallel to and twenty-five (25) feet from the described centerline and is to exclude any land under existing buildings.

CENTERLINE DESCRIPTION

Beginning at a point on the property line between the land of United States Government Fish Hatchery and the land N/F of Joseph Berube, said point being two hundred (200) feet east from a stone bound on the northerly line of the United States Government Fish Hatchery.

Thence N - 19° - 10' W 293 feet to a point,
Thence N - 26° - 55' W 300 feet to a point,
Thence N - 6° - 35' W 300 feet to a point,
Thence N - 78° - 15' W 924 feet to a point,
on the center line and beginning of Cypress Lane,
Thence beginning at a point on end of Sherwood Drive 33 feet west of a stone bound, said bound being the north end and easterly side line of Sherwood Drive.
Thence N - 14° E - 29 feet to a point,
Thence N - 61° - 3' W 404 feet to a point,
Thence N - 21° - W 653 feet to a point,
on the southerly side line of Pine Hill Road, said point being twenty-five (25) feet easterly of an iron pin on the northeasterly corner of land N/F of Richard H. and Carol V. Austin.

Beginning at a point on the northerly side line of Pine Hill Road, said point being nine hundred and thirty-three (933) feet east of a stone bound on the southwesterly corner of land N/F of John and Gloria Markewich.

Thence N - 18° - 40' W 270 feet to a point,
Thence N - 51° - 40' W 233 feet to a point,
Thence N - 20° - 15' W 300 feet to a point,
Thence N - 9° - 40' W 302 feet to a point,
Thence N - 35° - 10' W 212 feet to a point,

Thence N - 22° - 25' W 790 feet to a point,
Thence N - 11° - E 600 feet to a point,
Thence N - 43° - 30' W 1914 feet to a point,
Thence N - 43° - 30' E 1211 feet to a point,
Thence N - 46° - W 2289 feet to a point,
Thence N - 41° - 30' W 290 feet to a point
on the easterly side line of Deerwood Drive, said point being 1337.8 feet south of the southerly side line of Amherst Street.

(All dimensions and bearings shall be understood to be more or less).

The following list of Easement Parcels identifies the lots and owners affected by the Sewer Easements, and also tabulates the areas of permanent and temporary easements to be obtained from each owner. It should be noted that temporary easement areas include the permanent easement areas.

EASEMENTS PARCELS

RESOLUTION

LAYING OUT A COMMON SEWER AND ASSESSING DAMAGES FOR SEWER EASEMENTS AND LAND FOR NASHUA RIVER INTERCEPTOR, SPECTACLE BROOK INTERCEPTOR, AND BROAD STREET SEWAGE PUMPING STATION

(Endorsed by Mayor Mario J. Vagge)

CITY OF NASHUA

In The Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

1. That there is occasion and need for the layout of a Sewer for the Nashua River Interceptor and the Spectacle Brook Interceptor and for the acquisition of land for the Broad Street Sewage Pumping Station within the City of Nashua.

2. That there is occasion and need for the layout of Sewer Easements and land in the Petition of Leo R. Lesieur submitted to this Board and dated March 20, 1963.

3. That the City of Nashua has been unable to acquire by contract or otherwise, for a reasonable price, the tract of land for which damages are hereby assessed.

4. The following described Easements, and land to be taken by condemnation proceedings from the owners of said land as in layout of highways by Selectmen, and that the area included in the following descriptions of easements of land and land is hereby laid out for the Nashua River Interceptor, Spectacle Brook Interceptor and Broad Street Sewage Pumping Station.

That the location and limits of sewer easements required for the Nashua River Interceptor and Spectacle Brook Interceptor and the description of land to be acquired for the Broad Street Sewage Pumping Station are shown on "Plan of land for Pumping Station and Sewer Easements" dated August 28, 1962, Camp, Dresser & McKee, Consulting Engineers, Boston, Mass.

The location of the permanent easement centerline is hereafter described in accordance with the plan. The permanent sewer easement is twenty (20) feet wide with sides parallel to and ten (10) feet from the described centerline. The temporary easement is fifty (50) feet wide with sides parallel to and twenty-five (25) feet from the described centerline, and is to exclude any land under existing buildings.

CENTERLINE DESCRIPTION

Nashua River Interceptor:

Beginning at a point on the westerly property line of land of the City of Nashua and land N/F of Hayward Dairies, Inc., said point being forty-five (45) feet south from the northwesterly corner of land of City of Nashua; thence

N 76° - 20' W 211 feet; thence
S 50° 40' W 300 feet; thence
S 28° - 55' W 300 feet; thence
S 22° - 41' W 223 feet; thence
S 35° - 35' W 575 feet; thence
S 66° - 10' W 242 feet; thence
S 53° - 25' W 182 feet; thence
S 41° - 55' W 300 feet; thence
S 55° - 10' W 564 feet

to the easterly property line of land N/F of City of Nashua Gravel Pit, said point being about 2,400 feet south of the southerly side of Broad Street.

Spectacle Brook Interceptor:

Beginning at a point on the property line of the City of Nashua and the land N/F Hayward Dairies, Inc., said point being eleven (11) feet west of the westerly line of the F. E. Everett Turnpike; thence

N 22° - E 628 feet; thence
N 6° - 55' E 300 feet, thence
N 1° - 20' E 136 feet

to a point on the southerly side line of Broad Street, said point being twenty-nine (29) feet west of a stone bound on the southerly side line of Broad Street.

DESCRIPTION OF LAND TO BE ACQUIRED FOR THE BROAD STREET SEWAGE PUMPING STATION

The following describes a plot of land to be acquired by the City of Nashua for a sewage pumping station. The land is shown on a plan en-

titled "Plan of Land for Pumping Station and Sewer Easements" as prepared by Camp, Dresser & McKee, Consulting Engineers, Boston, Massachusetts. Said plan bears the date August 28, 1962 and is numbered 249-4573. A description of the parcel follows:

Beginning at a point fifteen (15) feet south of a stone bound, said bound being on the westerly line of the F. E. Everett Turnpike and five hundred and ten (510) feet north of the north bank of the Nashua River; thence

One hundred (100.00) feet southerly along the westerly line of the F. E. Everett Turnpike; thence

Turning an interior angle of 90° - 00, 100.0 feet; thence

Turning an interior angle of 90° - 00, 100.0 feet to the point of beginning. Containing about 10,000 square feet.

(All dimensions and bearings shall be understood to be more or less).

EASEMENT PARCEL

Parcel	Lot Number	Owner	Area in Sq. Ft. Permanent Easement	Area in Sq. Ft. Temporary Easement
1	Part of Lot #38 (Sheet E)	Weston and Doris G. Hayward	79,000 Sq. Feet	188,500 Sq. Feet

5. That the damages be assessed to the owners of the above described tracts as set forth below:

(1) Weston and Doris G. Hayward — $100.00 or Sewer Connection

(2) Weston and Doris G. Hayward — $1000.00 - for land for Broad Street Sewage Pumping Station

6. That the sum necessary is hereby appropriated for payment of damages hereinbefore specified, said sum of money to be paid out of the Board of Public Works (Sewer Bond Issue).

7. That His Honor, Mayor Mario J. Vagge, be and is hereby authorized to tender to the above owners the amounts above specified, or a sewer connection, in payment of damages assessed herein.

AUTHORIZING THE MAYOR AND TREASURER TO ISSUE BONDS IN THE AMOUNT OF SIX HUNDRED SEVENTY-THREE THOUSAND ($673,000.) DOLLARS TO PAY THE COST OF AN ADDITION OF SIX ROOMS AT THE FAIRGROUNDS ELEMENTARY SCHOOL; TWO ROOMS AT THE AMHERST STREET SCHOOL, AND FOR THE CONSTRUCTION OF A SIX ROOM SCHOOL AT SUNSET HEIGHTS

CITY OF NASHUA

(Endorsed by Alderman Francis LaFlamme)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge and the City Treasurer, are hereby authorized to issue and sell under the direction of the Finance Committee of the Board of Aldermen, negotiable General Obligation Coupon Bonds of the City of Nashua, in the aggregate principal amount of SIX HUNDRED SEVENTY-THREE THOUSAND ($673,000.00) DOLLARS. Said bonds to be issued for the purpose of paying the cost of an addition of Six Rooms at Fairgrounds Elementary School; Two Rooms at Amherst Street School, and for the construction of a Six Room School at Sunset Heights, said cost to include landscaping, architects and legal fees. The expected useful life of said public work or improvement is hereby determined to be at least Forty (40) years.

Said bonds shall be general obligations of the City of Nashua, payable as to both principal and interest, from ad-valorem taxes, which will be levied without limitations as to rate or amount on all taxable property within the territorial limits of the City of Nashua.

Both principal and interest shall be payable at the office of the City Treasurer, Nashua, New Hampshire, or at the holder's option at the First National Bank of Boston, Massachusetts.

The coupons shall bear the facsimile signature of the City Treasurer. None of the said bonds shall be obligatory without the authenticating certificate of the First National Bank of Boston endorsed thereon.

RESOLUTION

AUTHORIZING HIS HONOR, MAYOR MARIO J. VAGGE, TO CONVEY CERTAIN REAL ESTATE ON NEW HARRIS ROAD CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized and empowered to convey for and in consideration of Two Hundred Twenty ($220.00) Dollars to Co-Operative Homes, Inc., of Nashua, County of Hillsborough and State of New Hampshire, the following real estate:

A certain tract or parcel of land situate in said Nashua, and being shown as Lot #1A on a plan entitled "Subdivision Plan, Northeastern Acres, Nashua, N. H." drawn by David H. Hamilton, Surveyor, dated December 15, 1961, and being more particularly bounded and described as follows:

Beginning at a point in the southeasterly line of the former Nashua and Acton Railroad right-of-way of the B & M Railroad (now of the City of Nashua) on the southerly line of the New Harris Road, said point being two hundred nine and 91/100ths (209.91) feet westerly of a New Hampshire highway bound; thence

1. South 32° 22' West by the southeasterly line of said Nashua and Acton Railroad right-of-way a distance of ninety-nine and 85/100ths (99.85) feet to the easterly line of a proposed extension of Palisade Drive; thence

2. North 10° 17' 20" West by said proposed extension a distance of forty-eight and 53/100ths (48.53) feet to the beginning of a curve with a radius of twenty (20) feet; thence

3. Northeasterly by said curve a distance of twenty-eight and 86/100ths (28.86) feet to a point in the southerly line of a proposed extension of the New Harris Road; thence

4. Easterly by said proposed extension of the New Harris Road a distance of eight and 64/100ths (8.64) feet to the southerly line of the New Harris Road; thence

5. Easterly by said southerly line of the New Harris Road and by a curve having a radius of three hundred forty-eight and 97/100ths (348.97) feet to the point of beginning.

Containing 2,209 square feet, more or less.

(Endorsed by Aldermen Robert B. Welts and Thomas J. Leonard, Jr.)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

That Section 5, Part II, Article 1 of Chapter VIII of the Revised Ordinances of 1950, as amended, be and is hereby amended as follows: Add between definitions of "HOTEL" and "JUNK" the following:

(1) HOUSE TRAILER: A mobile home which does not have running water and sanitary facilities,
Delete the definition of Mobile Home and substitute therefor the following:

(2) MOBILE HOME: Any vehicle used or so constructed as to permit its being used as a conveyance and as a dwelling or sleeping place for one or more persons, and provided with running water and sanitary facilities whether or not such vehicle is actually immobile because of temporary or permanent utilities, connections, foundations, or other features attached to a fixed site.

Add between definitions of "Mobile Home" and "Motel" the following:

(3) MOBILE HOME PARK: A parcel of land containing at least 10 acres upon which one or more mobile homes or house trailers are parked or intended to be parked for living purposes.

Delete the definition of Trailer and substitute therefor the following:

(4) TRAILER: A mobile home which does not have running water and sanitary facilities.

That Section 6, Part II, Article II of Chapter VIII of the Revised Ordinances of 1950, as amended be and is hereby amended as follows:

Delete sub-section "P" Mobile Home" and substitute therefor the words "Mobile Home Park" so that said subsection shall read as follows:

(5) MOBILE HOME PARK: Amend the Index as follows; after the word "HOTEL" add

(6) "HOUSE TRAILER (Definition) Section 5, Page 8"

Amend the Index as follows: substitute the words "Mobile Home Park" for the words "Mobile Permitted" so that said item in index shall read

(7) "MOBILE HOME PARK".

Amend the Index as follows: Before the word "Motel" add the words

(8) "MOBILE HOME PARK (Definition) Section 5, Page 9"

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Sixty-three

AN ORDINANCE

AMENDING REVISED ORDINANCES OF THE CITY OF NASHUA, 1950 BY ADDING THERETO CHAPTER XXIX ENTITLED "MOBILE HOME ORDINANCE"

(Endorsed by Aldermen Robert B. Welts and Thomas J. Leonard, Jr.)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

GENERAL PROVISIONS

Sec. 1 STORAGE

a. A house trailer or mobile home owned by a property owner or lessee may be stored or parked on the premises of said owner or lessee during periods of non-use in any Zoning District provided that said house trailer or mobile home remains mobile and further provided that at least the minimum setbacks for a structure situated in the Zoning District where the house trailer or mobile home is to be located are applied to its stationing.

Sec. 2 GUEST STATIONING

a. Any property owner or lessee in any Zoning District may accommodate one house trailer or mobile home of a non-paying guest for a period not to exceed 30 days in any one calendar year, provided that:

(1) A permit for guest stationing is required from the Building Inspector. To obtain said permit, the property owner or lessee shall file a statement which shall include name of guest, full home address, period for which guest stationing is desired, proposed location. No extension of a permit for guest stationing may be granted.

(2) At least the minimum setbacks for a structure situated in the Zoning District where the house trailer or mobile home is to be located are applied to its stationing.

(3) No water or sanitary facilities within the house trailer or mobile home shall be used unless connected with a disposal system approved by the Health Officer and the Plumbing Inspector, both of whom shall give written approval thereto.

Sec. 3. TEMPORARY BUSINESS USE

a. The Building Inspector may approve the temporary use of a house trailer or mobile home for living quarters, office, storeroom, or shop in connection with construction work in any Zoning District, provided that:

(I) A permit for temporary business use is required from the Building Inspector. To obtain said permit, the construction firm or its representative shall file a statement which shall include the name of the firm, its home office address, the estimated period of stationing requested, the proposed use of the house trailer or mobile home unit. Said permit may be extended upon request for sufficient reason.

(2) Any sanitary facilities to be used shall be sewer-connected to a disposal system approved by the Plumbing Inspector.

(3) The Building Inspector shall be notified upon the removal of a house trailer or mobile home stationed for a temporary business use.

Sec. 4. DISPOSAL OF LIQUID WASTE AND SEWAGE

a. No disposal of sewage from a flush toilet or other discharge of liquid waste from a mobile home shall be performed except in a mobile home park when the discharge pipe or other outlet is directly connected to a city sewer or other approved means of treatment and disposal, or as provided for in Section 3, 2 of the foregoing.

b. No dry or chemical toilet in a mobile home shall be used; and such toilets, or flush toilets, unless sewer connected or unless as connected otherwise to conform to the provisions of this ordinance, shall be sealed while within the city limits.

Sec. 5. APPLICATION FOR MOBILE HOME PARK PERMIT

a. It shall be unlawful for any person, persons, firm or corporation to establish, maintain, or operate within the city limits of Nashua any mobile home park, whether charges are levied or not, who does not possess a permit from the Building Inspector.

b. A mobile home park may be permitted in a Suburban ("S") Zoning District, but not in any other Zoning District.

c. Application for such permit shall be made in writing to the Building Inspector. The applicant shall state or describe the location of the existing or proposed mobile home park, the number of lots, the proposed source of water supply, the pro-

posed method of sewage disposal, the proposed method of garbage and trash disposal, the proposed lighting system.

d. The applicant must also file with the Building Inspector a complete plan of the proposed mobile home park. This plan, accompanied by a legal description of the property shown, shall be drawn to scale and must clearly show the extent and area of the land to be used for mobile home park purposes. The plan shall represent existing and proposed roads and driveways, the individual mobile home lots, principal topographic features, easements, the plans for water supply, for sewerage and sewage disposal, for garbage and trash disposal, for lighting, for general drainage, for park or playground areas, and for proposed office, laundry, recreation, sanitary convenience, or other buildings. Supplementary data such as key elevations, contours, and street profiles must be submitted if requested by the Building Inspector.

e. Upon receipt of the proper application for a permit, the Building Inspector shall promptly cause an inspection of the premises to be made in company with the Health Officer. The Building Inspector and the Health Officer shall thereupon submit to the Planning Board a copy of the proposed plan and a report of said inspection in such manner as the Board may request, together with any recommendations they may deem necessary or advisable for the revision of or amendment to the plan in the interests of the general welfare of the community.

f. When satisfied that the proposed mobile home park will not be a source of danger to the health or safety of its occupants or to others, and will comply with this and all other city ordinances, and will conform to accepted principles of good community planning, the Planning Board shall affix its approval to the final plan and description by signature of the Chairman of said Board accompanying the word "Approved", and the date of approval as voted by a majority of the Planning Board.

g. The applicant shall be notified forthwith of the action denoting approval of the plan by the Planning Board, and the Building Inspector shall likewise be notified forthwith.

Sec. 6. LICENSE

a. Upon proof of approval having been given by the Planning Board for a mobile home park, the applicant therefor shall apply to the Board of Aldermen for a license to layout, establish, and operate a mobile home park.

b. Said license shall be issued to the owner by the Board of Aldermen on an annual basis, and the procedure and form of issuance shall be subject to the rules and regulations of the Board of Aldermen and the License Committee of said Board.

c. The minimum license fee for a mobilehome park having five or less occupied lots shall be ten dollars ($10.00); otherwise, the license fee for a mobile home park shall be ten dollars ($10.00) plus one dollar ($1.00) for each occupied lot in excess of five lots. Said license fee shall be payable to the City Treasurer.

d. The owner or manager of a mobile home park shall keep the license posted in a conspicuous place on the premises at all times.

e. The aforesaid license may be revoked at any time by the issuing authority if the operation and maintenance of the mobile home park fails to conform to this or any other applicable city ordinance or regulation.

f. The Building Inspector, Health Officer, and Fire Inspector shall inspect each mobile home park from time to time, at reasonable hours.

Sec. 7. ISSUANCE OF PERMIT

a. Upon proof of the issuance of a license by the Board of Aldermen, the Building Inspector shall immediately issue to the applicant in his name as owner or agent the necessary permit in writing in such form as the Inspector may prescribe, for the establishment, and operation of the proposed mobile home park in conformity with the plan approved by the Planning Board.

Sec. 8. LOCATION AND SPACE REQUIREMENTS

a. Permitted locations for a mobile park shall include only well-drained sites, not subject to smoke, to noise excessive for residential purposes, to the probability of flooding or erosion, or to insect or rodent infestation.

b. Not more than one mobile home or house trailer shall be placed upon a lot. No mobile home or house trailer shall be situated closer than fifty (50) feet to any residence on adjoining property.

c. Each lot in a mobile home park shall contain not less than 9,000 square feet and shall have a frontage of at least 90 feet on a public or private street having a width of 50 feet. The boundaries of each lot shall be designated by permanent markers such as stone monuments or iron pipe placed in the ground at each corner. Each lot shall contain parking space for one automobile. Each lot shall be kept free from dense growth of brush or weeds.

d. The front yard setback of each lot shall be at least 25 feet. The rear setback of each lot shall be at least 15 feet. The side setbacks of each lot shall be at least 10 feet. In establishing these setbacks, and other space requirements, awnings, vestibules, or other attached building components, and patios shall be considered an integral part of a mobile home or house trailer.

e. Any buildings other than mobile homes or house trailers in a mobile home park shall be situated on the lot in accordance with the setbacks required for the zoning district in which they are located. Such buildings shall be separated by a minimum distance of 10 feet.

Sec. 6. STREETS

1. Streets in a mobile home park shall have a minimum width of 50 feet. They shall conform to accepted practices of good design, shall be well-drained, and shall be graveled or surface treated.

Sec. 9. WATER SUPPLY

a. Every mobile home or house trailer situated in a mobile home park and every building designed to include water consuming facilities in such park shall be provided with an adequate supply of running water of safe, sanitary, potable water approved by the Health Officer. When it is proposed to use water from a supply other than that of the Pennichuck Water Works, the source of supply shall first be approved by the Health Officer in writing.

Sec. 10. SEWAGE DISPOSAL AND SANITATION FACILITIES

a. Every mobile home park shall provide a proper and acceptable sewer and sewage disposal system, either by connection to the city sewer system when available, or to a septic tank or other means of treatment and disposal approved by the Health Officer. All fixtures of any kind discharging water or other liquids shall be properly trapped and connected with the sewage disposal system in such a manner as to comply fully with all ordinances and regulations of the city of Nashua, including those of the Health Department.

Sec. 11. GARBAGE AND REFUSE DISPOSAL

a. All garbage and refuse in a mobile home park shall be stored in suitable watertight and flytight receptacles which shall be kept covered with tightly fitting covers. Such receptacles shall be washed frequently with hot water. At least one such receptable shall be provided and conveniently located for each lot. It shall be unlawful for any person to dispose of garbage or refuse of any kind upon the grounds of a mobile home park.

b. It shall be the responsibility and duty of the owner or manager of the park to see that all garbage and refuse is disposed of regularly and in a sanitary manner approved by the Health Officer.

Sec. 12. LIGHTING

a. Every mobile home park shall be provided with adequate street lighting facilities, and shall be kept lighted in accordance with the time table for the lighting and extinguishing of public street lights.

Sec. 13. MAINTENANCE AND REPAIRS

a. Mobile home parks and all structures situated therein shall be kept in good repair and shall at all times be maintained in a clean and sanitary condition. Streets and driveways within such parks shall be graded, well drained, kept in good order and also kept open so as to permit the entry of fire-fighting or other emergency equipment at all times.

Sec. 14. PETS

a. Owners of cats, dogs, and other domestic animals shall not permit them to run at large in any mobile home park.

Sec. 15. RECORDS

a. The owner or manager of every mobile home park shall keep a record of all mobile home and house trailer owners and

a record of all guests with mobile homes or house trailers noting the name and address of each lot occupant, the license number of each automobile and of each mobile home or house trailer, the state issuing such licenses, the dates of arrival and departure. This register shall be available at all times for inspection by representatives of the Police and Health Departments.

Sec. 16. HEALTH REPORTING

a. It shall be the responsibility and duty of every mobile home park owner or manager to report immediately to the City Health Officer all known or suspected cases of communicable diseases.

Sec. 17. ENFORCEMENT

a. The several municipal departments shall, according to their customary official responsibilities, enforce the provisions of this ordinance. For that purpose, representatives of the several municipal departments such as the Building Inspector, Health Officer, Fire Inspector and Police are hereby empowered to inspect mobile home parks at all reasonable times.

Sec. 18. OTHER ORDINANCES

a. In the location, operation, and maintenance of a mobile home park, the zoning ordinance and all other ordinances of the City of Nashua, not in conflict herewith, shall be observed.

Sec. 19. PENALTY PROVISION

a. All persons, firms, or corporations, who violate any of the terms of this ordinance shall be guilty of a misdemeanor and shall be punished by a fine of ten dollars ($10.00) for each and every violation thereof. Each day's parking or maintenance of a house trailer or mobile home or maintenance of a mobile home park in violation of the provisions of this ordinance shall constitute a separate offense.

Sec. 20. VALIDITY

a. The invalidity of any clause, section, provision, or portion of this ordinance shall not affect the validity of any other clause, section, provision or portion thereof.

Sec. 21. EFFECTIVE DATE

a. This ordinance shall become effective upon its passage.

AN ORDINANCE

A HOUSING CODE
FOR THE CITY OF NASHUA, N. H.

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

AN ORDINANCE Establishing and Enforcing Minimum Standards for Use and Occupancy of Dwellings and Requiring the Repair, Closing or Demolition of Dwellings Unfit for Human Habitation in accordance

with Chapter 48, New Hampshire Revised Statutes Annotated, 1955, amended by Chapter 293, Laws of New Hampshire 1959;
Whereas, in the City of Nashua, there are, or may in the future be, dwellings which are substandard in one or more important features of structure, equipment, maintenance, or occupancy; and
Whereas, such conditions adversely affect public health and safety and lead to the continuation, extension and aggravation of urban blight; and

Whereas, adequate protection of public health, safety and welfare therefore requires the establishment and enforcement of minimum housing standards; now therefore **Be it ordained by the Board of Aldermen of the City of Nashua as follows:**
Section 1. Short Title. This ordinance shall be known and may be cited as "the Housing Code".
Section 2. Definitions. The following definitions shall apply in the interpretation and enforcement of this ordinance:

(1) "Approved" is in accordance with the provisions of this ordinance or other pertinent ordinance of this City.

(2) "Basement" is a portion of any dwelling located partly underground, but having less than half its clear floor-to-ceiling height below the average grade of the adjoining ground.

(3) "Building Code" is the Building Code of this City.

(4) "Cellar" is a portion of any dwelling having half or more than half of its clear floor-to-ceiling height below the average grade of the adjoining ground.

(5) "City" is the City of Nashua.

(6) "Dwelling" is any building, structure, trailer, mobilehome or camp or part thereof, used and occupied for human habitation or intended to be so used and includes any appurtenances belonging thereto or usually enjoyed therewith.

(7) "Dwelling unit" is a room or group of rooms located within a dwelling and forming a single habitable unit with facilities which are used or intended to be used for living, sleeping, cooking and eating.

(8) "Habitable room" is a room or enclosed floor space used or intended to be used for living, sleeping, or eating purposes, excluding bathrooms, water closet compartments, laundries, foyers, pantries, communicating corridors, stairways, closets, basement recreation rooms, and storage spaces.

(9) "Housing Inspector" is that employee of the City of Nashua charged with the responsibility of enforcing the Housing Code.

(10) "Multi-family dwelling" is any dwelling or part thereof containing three or more dwelling units.

(11) "Occupant" is any person including an owner or operator living and sleeping in a dwelling unit or rooming unit.

(12) "Openable area" is the part of a window or door which is available for unobstructed ventilation and which opens directly to the outdoors.

(13) "Operator" is any person having charge, care, management, or control of any dwelling or part of it, in which dwelling units or rooming units are let.

(14) "Owner" is any person who, alone, jointly or severally with others, holds legal or equitable title to any dwelling, rooming house, dwelling unit, or rooming unit.

(15) "Person" is any person, firm, partnership, association, corporation, company or organization of any kind.

(16) "Plumbing" is water-heating facilities, water pipes, garbage disposal units, waste pipes, water closets, sinks, installed dishwashers, lavatories, bathtubs, shower baths, installed clothes-washing machines, catch basins, drains, vents, and other similar supplied fixtures, together with all connections to water or sewer lines.

(17) "Plumbing Code" is the Plumbing Code of the City of Nashua.

(18) "Premises" is a lot, plot, or parcel of land including the buildings and structures thereon.

(19) "Rooming house" is any dwelling, or that part thereof containing one or more rooming units, in which space is let to three or more persons.

(20) "Rooming unit" is any room or group of rooms forming a single habitable unit used or intended to be used for living and sleeping, but not for cooking or eating purposes.

(21) "Supplied" is installed, furnished, or provided by the owner or operator at his expense.

(22) "Two-family dwelling" is any dwelling containing two dwelling units.

(23) "Yard" is all ground, lawn, court, walk, driveway or other open space constituting part of the same premises as the dwelling.

Section 3. Minimum Standards for Basic Equipment and Facilities. No person shall occupy as owner-occupant or shall let to another for occupancy any dwelling, rooming house, dwelling unit, or rooming unit which does not comply with the following minimum standards for basic equipment and facilities:

(1) **Dwelling Units.** Every dwelling unit shall contain within its walls:

(a) **Lavatory Facilities.** A room, separate from the habitable rooms, which affords privacy and which is equipped with a flush water closet and a lavatory basin.

(b) **Bathtub or Shower.** A room, separate from the habitable rooms, which affords privacy to a person in the room and which is equipped with a bathtub or shower.

(c) **Kitchen Sink.** A kitchen sink.

(d) **Sharing by Dwelling Units in Same Building.** The occupants of not more than two dwelling units which are located in the same dwelling may share a single flush water closet, a single lavatory basin, and a single bathtub or shower provided:

1. Neither of the two dwelling units contains more than two rooms; however, for the purposes of this subsection, a kitchen with not more than 60 square feet of floor area is not counted as a room;

2. The habitable room area of each such dwelling units aggregates not more than 250 square feet;

3. The water closet and lavatory basin are within a room, separate from the habitable rooms, which affords privacy and which is accessible to the occupants of each dwelling unit without going through the dwelling unit of another person or outside the dwelling;

4. The bathtub or shower is within a room, separate from the habitable rooms, which affords privacy and which is accessible to the occupants of each dwelling unit without going through the dwelling unit of another person or outside the dwelling.

(2) **Water Line Connections.** Every kitchen sink, lavatory basin, and bathtub or shower required by this ordinance shall be properly connected with both hot and cold water lines. The hot water lines shall be connected with supplied water-heating facilities which are capable of heating water to such a temperature as to permit an adequate amount of water to be drawn at every required kitchen sink, lavatory basin, and tub or shower at a temperature of not less than 120 degrees Fahrenheit even when the heating facilities required by this ordinance are not in operation.

(a) **Plumbing Fixtures.** All plumbing fixtures required by this section shall be properly connected to an approved water system and to an approved sewerage system.

(3) **Rubbish Collection.** Every multi-family dwelling shall have approved common garbage and rubbish storage or disposal facilities.

(4) **Egress.** Every dwelling unit and rooming unit shall have a safe and unobstructed means of egress leading to a safe and open space at ground level, as required by the laws of this state and this city.

(5) **Rooming House — Additional Sanitation Standards.**

(a) **Lavatories.** Every rooming house shall be equipped with at least one flush water closet, one lavatory basin and one bathtub or shower for each six persons or fraction thereof living within the rooming house, including members of the family of the owner or operator if they share the use of facilities. In a rooming house in which rooms are let only to males, flush urinals may be substituted for not more than one-half the required number of water closets. All such facilities shall be properly connected to approved water and sewerage systems. No such facility located in a basement or cellar shall count in computing the number of facilities required by this subsection except when approved by the Housing Inspector. Every flush water colset, flush urinal, lavatory basin, and bathtub or shower required by this subsection shall be located within the rooming house in a room or rooms which:

1. Afford privacy and are separate from habitable rooms;

2. Are accessible from a common hall and without going outside the rooming house;

3. Are not more than one story removed from the rooming unit of any occupant intended to share the facilities.

(b) **Bedding and Towels.** When bedding, bed linen or towels are supplied, the owner or operator shall maintain the bedding in a clean and sanitary manner, and he shall furnish clean bed linen and towels at least once each week and prior to the letting of any room to any occupant.

Section 4. Ventilation, Light, Heating and Screens. No person shall occupy as owner-occupant or shall let to another for occupancy any dwelling, rooming house, dwelling unit, or rooming unit which does not comply with the following minimum standards for ventilation, light and heating;

(1) **Windows and Openable Space.**

(a) **Total Window Area.** Every habitable room shall have at least one window which faces directly to the outdoors. The minimum total window area, measured between stops, for every habitable room shall be 10 per cent of the floor area of such room. Whenever walls or other portions of structures face a window of any such room and such light-obstruction structures are located less than three feet from the window and extend to a level above that of the ceiling of the room, such a window shall not be deemed to face directly to the outdoors and shall not be included as contributing to the required minimum total window area. Whenever the only window in a room is a skylight-type window in the top of such room, the total window area of each skylight shall equal at least 15 per cent of the total floor area of such room.

(b) **Glazing and Repair of Windows.** All windows and doors containing glass panes shall be glazed according to accepted practice and kept in good repair and in easily workable condition; broken panes shall be promptly repaired.

(c) **Openable Window Area.** Every habitable room shall have at least one window or skylight which can be easily opened, or such other device as will adequately ventilate the room. The total openable window area in every habitable room shall equal at least 45 per cent of the minimum window area size or the minimum skylight-type window size, as required by this ordinance, except where there is supplied some other device affording ventilation and approved by the Housing Inspector.

(d) **Glass-Fronted Porch.** For the purpose of this section, where a living room faces onto a glass-fronted porch, the porch shall be considered as a part of the living room if the total window and open space area between the porch and the living room is at least 15 per cent of the floor area of the living room.

(e) **Bathroom.** Every bathroom and water closet compartment shall comply with the window area and openable area requirements for habitable rooms, except where there is supplied some other device approved by the Housing Inspector as affording adequate ventilation.

(f) **Laundry Rooms.** Every laundry room shall have a minimum openable area of at least three square feet except where there is supplied some other device approved by the Housing Inspector as affording adequate ventilation.

(g) **Public Halls and Stairways.** Each public hall and stairway in every two-family dwelling, multi-family dwelling and rooming house shall be adequately ventilated.

(2) **Lighting.** Every dwelling within 300 feet of a power line shall be supplied with electricity as follows:

(a) **Habitable Room.** Every habitable room shall contain at least two separate floor or wall-type electric convenience outlets, or one such convenience outlet and one supplied ceiling type electric light fixture.

(b) **Bathrooms, Utility Rooms.** Every water closet compartment, bathroom, laundry room and furnace room, shall contain at least one supplied ceiling or wall-type electric light fixture.

(c) **Public Halls.** Every public hall in a dwelling shall contain at least one supplied ceiling or wall-type electric light fixture. Every public hall and stairway in every two family dwelling, multi-family dwelling and rooming house shall be adequately lighted at all times except that in a two-family dwelling an adequate lighting system which may be turned on when needed by conveniently located light switches shall be permitted instead of a full-time lighting system.

(d) **Standards for Installation.** Every outlet and fixture shall be properly installed and maintained in good and safe working condition. All electrical installations shall comply with the requirements of the Building Code.

(3) **Heating.** Every dwelling shall have heating facilities which are capable of safely and adequately heating all habitable rooms, bathrooms, and water closet compartments within its walls to a temperature of at least 70 degrees Fahrenheit when the outside temperature is 10 degrees Fahrenheit.

(a) **Gas Heaters.** Portable heating equipment employing a flame and heating equipment using gasoline or kerosene do not meet the standards of this ordinance and are prohibited.

(4) **Screens.** During the portion of each year extending from May 15th to September 15th and as protection against mosquitoes, flies and other insects, every door opening directly from a dwelling unit to outdoor space shall be supplied with screens and a self-closing device; and every window or other device with openings to outdoor space used or intended to be used for ventilation shall likewise be supplied with screens. Every basement or cellar window used or intended to be used for ventilation, and every other opening which might provide an entry for rodents, shall be permanently supplied with screens or such other device as will effectively prevent their entrance.

Section 5. Space and Occupancy. No person shall occupy or shall let to another for occupancy any dwelling, rooming house, dwelling unit, or rooming unit which does not comply with the following minimum standards for space and occupancy;

(1) **Habitable Floor Area.** Every dwelling unit shall contain at least 150 square feet of habitable floor area for the first occupant, and at least 100 square feet for each additional occupant.

(a) **Exception for Children Under 2 Years of Age.** For the purposes of the section, a person under two years of age shall not be counted as an occupant.

(2) **Sleeping Rooms.** In every dwelling unit and in every rooming unit, every room occupied for sleeping purposes by one occupant shall contain at least 70 square feet of floor area, and every room occupied for sleeping purposes by more than one occupant shall contain at least 50 square feet of floor area for each occupant.

(3) **Arrangement of Sleeping Room, Bathroom.** No dwelling or dwelling unit containing two or more sleeping rooms shall have such room arrangements that access to a bathroom or water closet compartment intended for use by occupants of more than one sleeping room can be had only by going through another sleeping room, nor shall room arrangements be such that access to a sleeping room can be had only by going through another sleeping room or bathroom or water closet compartment.

(4) **Calculation of Floor Area.** Floor area shall be calculated on the basis of habitable room area. However, closet area and hall area within the dwelling unit, where provided, may count for not more than 10 percent of the required habitable floor area. At least 85 per cent of the floor area of a sleeping room, and at least one-half of the floor area of all other habitable rooms shall have a ceiling height of at least 7 feet 6 inches; and the floor area of any part of any room where the ceiling height is less than five feet shall not be considered as part of the floor area in computing the total floor area of the room to determine maximum permissible occupancy.

(5) **Cellars.** No cellar shall be used for living purposes.

(6) **Basements.** No basement shall be used for living purposes unless;

(a) The floors and walls are substantially watertight.

(b) The total window area, total openable area and ceiling height are in accordance with this ordinance.

(c) The required minimum window area of every habitable room is entirely above the grade of the ground adjoining such window area, not including stairwells or access ways.

Section 6. Safe and Sanitary Maintenance of Structural Elements. No person shall occupy as owner-occupant or shall let to another for occupancy any dwelling, rooming house, dwelling unit, or rooming unit which does not comply with the following minimum standards for safe and sanitary maintenance.

(1) **Foundations, Exterior Walls and Roofs.** Every foundation, exterior wall and exterior roof shall be substantially weathertight, watertight, and rodent proof; shall be kept in sound condition and good repair; and shall be safe to use and capable of supporting the load which normal use may cause to be placed thereon.

(2) **Floors, Interior Walls and Ceilings.** Every floor, interior wall and ceiling shall be substantially rodent proof; shall be kept in sound condition and good repair and shall be safe to use and capable of supporting the load which normal use may cause to be placed thereon.

(3) **Windows and Exterior Doors.** Every window, exterior door basement or cellar door and hatchway shall be substantially weathertight, watertight, and rodent proof; and shall be kept in sound working condition and good repair.

(4) **Stairways and Porches.** Every inside or outside stair, porch, and any appurtenance thereto shall be safe to use and capable of supporting the load that normal use may cause to be placed thereon; and shall be kept in sound condition and good repair.

(5) **Plumbing Fixtures.** Every plumbing fixture shall be properly installed and maintained in sound mechanical condition, free from defects, leaks and obstructions and in accordance with the Plumbing Code.

(6) **Bathroom Floor Surfaces.** Every water closet compartment floor surface and bathroom floor surface shall be constructed and maintained so as to be substantially impervious to water and so as to permit such floor to be easily kept in a clean and sanitary condition.

(7) **Maintenance of Required Equipment and Utilities.** Every supplied facility, piece of equipment or utility, which is required under this ordinance, and every chimney and smokepipe shall be so constructed and installed that it will function safely and effectively, and shall be maintained in sound working condition.

Section 7. Substandard Conditions of Structural Elements. Any dwelling which has any or all of the following defects of structural elements shall be deemed unfit for human habitation:

(1) **Interior Walls and Vertical Structural Members.** Any dwelling whose interior walls or other vertical members list, lean or buckle to such an extent that a plumb line passing through the center of gravity falls outside of the middle third of its base shall be deemed unfit for human habitation.

(2) **Supporting Members and Non-Supporting Walls.** Any dwelling which, exclusive of the foundation, shows 33 per cent or more of damage or deterioration of the supporting member or members, or 50 per cent of damage or deterioration of the non-supporting enclosing or outside walls or covering shall be deemed unfit for human habitation.

(3) **Floor and Roof Loads.** Any dwelling which has improperly distributed loads upon the floors or roofs or in which the same are overloaded, or which have insufficient strength to be reasonably safe for the purpose used shall be deemed unfit for human habitation.

(4) **Damage by Fire, Wind or Other Causes.** Any dwelling which has been damaged by fire, wind or other causes so as to have become dangerous to life, morals, safety or the general health and welfare of the occupants or the people of the City of Nashua shall be deemed unfit for human habitation.

Section 8. Substandard Conditions Generally. Any dwelling which has any or all of the following general substandard conditions shall be deemed unfit for human habitation.

(1) **Dilapidated, Decayed, Unsafe or Insanitary.** Any dwelling which has become or is so dilapidated, decayed, unsafe, insanitary, or which utterly fails to provide the amenities essential to decent living, or which is likely to cause sickness or disease, so as to work injury to the health, morals, safety, or general welfare of those living therein shall be deemed unfit for human habitation.

(2) **Inadequate Light, Air and Sanitation.** Any dwelling having light, air, and sanitation facilities which are inadequate to protect the health, morals, safety or general welfare of human beings who live or may live therein shall be deemed unfit for human habitation.

(3) **Inadequate Egress.** Any dwelling have inadequate facilities for egress in case of fire or panic or those having insufficient stairways, elevators, fire escapes, or other means of communication shall be deemed unfit for human habitation.

(4) **Insecure Parts.** Any dwelling which has parts thereof which are so attached that they may fall and injure members of the public or property shall be deemed unfit for human habitation.

(5) **Unsafe, Insanitary or Dangerous to Public.** Any dwelling which because of its condition is unsafe, insanitary, or dangerous to the health, morals, safety or general welfare of the people of this city shall be deemed unfit for human habitation.

(6) **Violation of Ordinances.** Any dwelling existing in violation of any provision of the Building Code of this City, or other ordinances of this City shall be deemed unfit for human habitation.

Section 9. Cooking Equipment. No owner, operator or occupant shall furnish or use any cooking equipment which does not comply with the following minimum standards:

(1) **Construction, Installation and Maintenance.** Every piece of cooking equipment shall be so constructed and installed that it will function safely and effectively and shall be maintained in sound working condition.

(2) **Prohibited Equipment.** Portable cooking equipment employing flame and cooking equipment using gasoline or kerosene as fuel for cooking are prohibited.

Section 10. Responsibilities of Owners, Operators, and Occupants.

(1) **Sanitation.**

(a) **Cleanliness by Occupant.** Every occupant of a dwelling, dwelling unit or rooming unit shall maintain in a clean and sanitary condition that part of the dwelling, dwelling unit and yard which he occupies and controls; and shall be responsible for his own misuse of areas and facilities available in common.

(b) **Cleanliness by Owner or Operator.** Every owner or operator of a two-family dwelling, multi-family dwelling or rooming house shall maintain in a clean and sanitary condition the shared or public areas of the dwelling and yard.

(c) **Use and Operation of Supplied Facilities.** Every occupant of a dwelling unit shall keep all supplied facilities, including plumbing fixtures and cooking equipment, in a clean and sanitary condition and shall be responsible for the exercise of reasonable care in their proper use and operation.

(2) **Removal of Waste Matter.**

(a) **Storage and Disposal of Rubbish and Garbage.** Every occupant of a dwelling unit shall dispose of all rubbish, ashes, garbage, and other organic waste in a clean and sanitary manner by placing it in an approved storage or disposal facilities which are safe and sanitary. Every occupant shall provide such facilities for and within his dwelling unit and shall maintain them in a clean and sanitary manner. The owner or operator of a multi-family dwelling shall be responsible for the clean and sanitary maintenance of common storage or disposal facilities.

He shall be responsible further for placing out for collection all common garbage and refuse containers, except where such facilities are for the sole use of an occupant, under which circumstances it shall be the responsibility of the occupant to place these containers out for collection.

(b) **Rooming House Rubbish Storage and Disposal.** Every owner or operator of every rooming house shall dispose of all rubbish in a clean and sanitary manner by placing it in supplied and approved storage or disposal facilities which are safe and sanitary.

(3) **Extermination.**

(a) **Extermination of Pests by Occupant.** Every occupant of a dwelling unit shall be responsible for the extermination of any insects, rodents or other pests in it or in the yard. In a two-family dwelling or a multi-family dwelling, the occupant shall be responsible for such extermination whenever his dwelling unit is the only one infested.

1. **Exception.** When, however, infestation is caused by failure of the owner or operator to maintain a dwelling in a rodent-proof or substantially insect-proof condition, extermination shall be the responsibility of the owner or operator.

(b) **Extermination of Pests by Owner or Operator.** Every owner or operator shall be responsible for extermination of any insects, rodents or other pests whenever infestation exists in two or more of the dwelling units or any dwelling or in the shared or public areas of any two-family dwelling or any multi-family dwelling.

(c) **Extermination of Pests in Rooming Houses.** Every owner or operator of a rooming house shall be responsible for the extermination of any insects, rodents or other pests in it or in the yard.

(4) **Heat.** During the time of the year when it is necessary, as determined by the Housing Inspector, every owner or operator of every two-family dwelling, multi-family dwelling and rooming house shall supply adequate heat to every habitable room therein except where there are separate heating facilities for each dwelling unit, whose facilities are under the sole control of the occupant of such dwelling unit.

(5) **Utilities.** No owner, operator or occupant shall cause any service equipment or utility which is required by this ordinance to be removed, shut off or discontinued for any occupied dwelling let or occupied by him, except for such temporary interruption as may be necessary while actual repairs or alterations are in process, or during temporary emergencies.

(6) **Janitorial Service.** Every dwelling of five or more dwelling units in which the owner or operator does not reside shall have a janitor as found necessary by the Housing Inspector.

(7) **Transfer of Responsibility.** A contract effective as between owner and operator, operator and occupant or owner and occupant, with regard to compliance hereunder shall not relieve any part of his direct responsibility under this ordinance.

(8) **Notice of Maximum Occupancy.** Every owner or operator shall advise the occupant in writing either by insertion in the lease between the parties or otherwise of the maximum number of occupants permitted in the occupied premises under this ordinance.

Section 11. Standards for Repair, Vacation and Closing, or Demolition Or Removal.

The following standards shall be followed in substance by the Housing Inspector and the Board of Housing Appeals in ordering repair, vacation and closing, or demolition or removal:

(1) **Repair,** If a dwelling deemed unfit for human habitation can reasonably be repaired so that it will no longer exist in violation of the terms of this ordinance, it shall be ordered repaired.

(2) **Vacation and Closing.** If a dwelling deemed unfit for human habitation is 50 per cent damaged or decayed, or deteriorated from its original value or structure, it shall be demolished or removed, and in all cases where a dwelling cannot be repaired so that it will no longer exist in violation of the terms of this ordinance, it shall be demolished or removed. In all cases where a dwelling unfit for human habitation is a fire hazard existing or erected in violation of the terms of this ordinance or any ordinance of the City or statute of the State of New Hampshire, it shall be demolished or removed. For the purposes of this ordinance, removal of a dwelling unfit for human habitation shall mean removal from the city of Nashua.

Section 12. Dwellings Unfit for Human Habitation — Nuisances. All dwellings deemed unfit for human habitation within the terms of Sections 7 and 8 of this ordinance are hereby declared to be public nuisances, and shall be repaired, vacated and closed, or demolished or removed as hereinbefore and hereinafter provided.

Section 13. Inspection of Dwellings, Rooming Houses, Dwelling Units, Rooming Units, and Premises.

(1) **Inspection by Housing Inspector.** The Housing Inspector is hereby authorized and directed at reasonable times to make inspections to determine the condition of dwellings, rooming houses, dwelling units, rooming units and premises located within this City of Nashua, in order that he may perform his duty of safeguarding the health, safety and general welfare of the occupants of dwellings and of the general public.

(2) **Access by Housing Inspector.** In order to carry out the purpose and provisions of this ordinance, the Housing Inspector is hereby authorized to enter, examine, and survey at all reasonable times and in an emergency at any time all dwellings, rooming houses, dwelling units,, rooming units, and premises. The owner or occupant of every dwelling, rooming house, dwelling unit, and rooming unit, or the person in charge thereof, shall give the Housing Inspector free access to such dwelling, rooming house, dwelling unit, or rooming unit and its premises, at all reasonable times and in an emergency at any time for the purpose of such inspection, examination, and survey.

(3) **Access by Owner or Operator.** Every occupant of a dwelling, rooming house, dwelling unit, or rooming unit shall give the owner or operator thereof, or his agent or employee, access to any part of such dwelling, rooming house, dwelling unit, or rooming unit, or its premises, at all reasonable times for the purpose of making such repairs or alterations as are necessary to effect compliance with the provisions of this ordinance or with any lawful notice or order issued pursuant to the provisions of this ordinance.

Section 14. Enforcement.

(1) **Complaint and Notice.** Whenever a petition is filed with the Board of Housing Appeals by at least ten residents of the municipality charging that any dwelling is unfit for human habitation, or whenever it appears to the Board of Housing Appeals by inspection that any dwelling is unfit for human habitation, it shall, if preliminary investigation discloses a basis for such charges, issue and cause to be served upon the owner, every mortgagee of record and all parties in interest in such dwelling (including persons in possession) a complaint stating the charges in that respect. If the person to be served resides outside the state, service may be made upon him by registered mail; and if there are any unascertained persons having an interest in said dwelling, notice may be given them by publication in a newspaper having general circulation in the municipality, such publication to be at least ten days before the date set for the hearing. Such complaint shall contain a notice that a hearing will be held before the Board of Housing Appeals at a place therein fixed not less than ten days or more than thirty days after the serving of said complaint; that the owner, mortgagee and parties in interest shall be given the right to file an answer to the complaint and to appear in person, or otherwise, and give testimony at the place and time fixed in the complaint; and that the rules of evidence prevailing in courts of law or equity shall not be controlling in hearings before such Board of Housing Appeals.

(2) **Findings and Order of the Board.** If, after such notice and hearing, the Board of Housing Appeals determines according to the standards of the ordinance, that the dwelling under consideration is unfit for human habitation it shall state in writing its findings of fact in support of such determination and shall issue and cause to be served upon the owner thereof an order which, if the repair, alteration or improvement of the said dwelling can be made at a reasonable cost in relation to the value of the dwelling and the ability of the owner to assume such cost, requires the owner, within the time specified in the order, to repair, alter, or improve such dwelling to render it fit for human habitation or to vacate and close the dwelling as a human habitation; or if the repair, alteration or improvement of said dwelling cannot be made at a reasonable cost in relation to the value of the dwelling and the ability of the owner to assume such cost, requires the owner, within the time specified in the order, to remove or demolish such dwelling.

(3) **Appeal to Mayor and Board of Aldermen.** If an owner is aggrieved by an order of the Board of Housing Appeals and made pursuant to (2) preceding, he may appeal to the mayor and board of aldermen of the City of Nashua. Said mayor and board of aldermen shall hold a public hearing upon said appeal, due notice of said hearing having first been given to the Board of Housing Appeals and to the owner. The mayor and board of aldermen may affirm or revoke the order of the Board of Housing Appeals, or they may modify the same in accordance with their findings. If they shall affirm or modify such order, the Board of Housing Appeals shall proceed to enforce said order as affirmed or so modified, in the manner prescribed in (4) following. If the mayor and board of aldermen shall revoke said order, the proceedings shall be terminated.

(4) **Procedure for Enforcement.** If the owner fails to comply with an order, made pursuant to the provisions of (2) preceding, to repair,

alter, improve or to vacate and close the dwelling, or to remove or demolish the dwelling, the Board of Housing Appeals may file a petition in the superior court in which it shall set forth the charges issued pursuant to (1) preceding, as well as any other allegations bearing upon the unfitness of the dwelling for human habitation. The court shall thereupon direct notice to be given all parties having an interest in said dwelling, including mortgagees, and persons in possession thereof. Such notice shall be given, where practicable, by personal service, except that if the person to be served resides outside the state, service may be made upon him by registered mail; and if there are any unascertained persons having an interest in said dwelling, notice may be given them by publication of the petition in a newspaper having general circulation in the municipality, such publication to be at least ten days before the date set for the hearing. The court shall set a date for hearing such charges and additional allegations, such date to be not later than fifteen days after the filing of said petition. Upon hearing, the matter shall be treated as de novo, and the court shall hear such pertinent evidence concerning the fitness of the dwelling for human habitation as may be relevent.

(5) **Order of the Court.** The court shall as soon as practicable issue its order upon said petition; and if the court finds the dwelling complained against is unfit for human habitation due to any of the causes or conditions enumerated in sections 7 and 8 of this ordinance, such order shall direct the Board of Housing Appeals to repair, alter, or improve such dwelling to render it fit for human habitation if such repair, alteration or improvement can be made at a reasonable cost in relation to the value of the dwelling and the ability of the owner to assume such cost; or if the repair, alteration or improvement of said dwelling cannot be made at a reasonable cost in relation to the value of the dwelling and the ability of the owner to assume such cost, to remove or demolish such dwelling. If the court shall find in favor of the owner, it shall award to him his reasonable costs and expenses, including counsel fees, all as determined by the court, incurred by him in his defense of the action in the superior court.

(6) **Lien.** Whenever the Board of Housing Appeals shall incur cost for the repair, alteration, improvement, vacating or closing, or fon the removal or demolition of a dwelling, pursuant to an order of the superior court, the amount of such costs shall be a lien against the real property on account of which such cost was incurred and such lien, including as part thereof upon allowance of his costs and necessary attorneys' fees, may be foreclosed upon order of the superior court made pursuant to a petition for that purpose filed in said court. Such lien shall be subordinate to mortgages of record made before the institution of proceedings under this chapter. Notice of said lien shall be filed with the register of deeds for the county in which the real estate is situated, and shall be recorded by him. If the dwelling is demolished by the Board of Housing Appeals, he shall sell the materials of such dwelling and pay the proceeds of such sale over to the superior court, for distribution to such persons as the court shall find entitled thereto.

(8) **Placarding of Dwelling, Rooming House, Dwelling Unit or Rooming Unit Determined Unfit for Human Habitation.** After the notice which is required under the provisions of Subsection 14 (1) has resulted in an order in accordance with the provisions of Subsection 14 (2), the Housing Inspector shall placard the affected dwelling, rooming house, dwelling unit or rooming unit for human habitation. The Hous-

ing Inspector shall post, in a conspicuous place or places upon the affected dwelling, rooming house, dwelling unit, or rooming unit, a placard or placards bearing the following words: "Condemned as Unfit for Human Habitation."

(9) **Vacation of Dwelling, Rooming House, Dwelling Unit or Rooming Unit Determined unfit for Human Habitation.** Any dwelling, rooming house, dwelling unit, or rooming unit which has been determined unfit for human habitation and which has been placarded as such by the Housing Inspector shall be vacated within a reasonable time as required by said Inspector. No owner or operator shall let to any person for human habitation and no person shall occupy any dwelling, rooming house, dwelling unit, or rooming unit which has been determined unfit for human habitation and which has been placarded by the Housing Inspector after the date which said Inspector has required the affected dwelling, rooming house, dwelling unit, or rooming unit to be vacated.

(10) **Placard Not to be Removed Until Defects Eliminated.** No dwelling, rooming house, dwelling unit, or rooming unit which has been determined unfit for human habitation and which has been placarded as such shall again be used for human habitation until written approval is secured from, and such placard is removed by, the Housing Inspector. The Housing Inspector shall remove such placard whenever the defect or defects upon which the determination of unfitness for human habitation and placarding action were based have been eliminated.

(11) **Placard to be Removed Only by Housing Inspector.** No person shall deface or remove the placard from any dwelling, rooming house, dwelling unit, or rooming house, dwelling unit, or rooming unit which has been determined unfit for human habitation and placarded as such, except as provided in Subsection 14 (10).

Section 15. Rooming Houses.

(1) No person shall operate a rooming house, or shall occupy or let to another for occupancy any rooming unit in any rooming house, except in compliance with the provisions of every section of this ordinance.

(2) **Hotels and Motels.** Every provision of this ordinance which applies to rooming houses shall also apply to hotels and motels.

Section 16. Exceptions. Notwithstanding any other provision of this ordinance, no dwelling shall be determined to be unfit for human habitation under the provisions of this ordinance if it meets the usual requirements of laws and customs which were in effect at the time it was built, and it is maintained in reasonable good repair and condition by current standards and its condition is not such as to endanger the public health or safety; and it is further provided that notwithstanding any other provision of this ordinance, no dwelling shall be determined to be unfit for human habitation under the provisions of this ordinance if it were originally built, by, for, or on behalf of the United States Government, or any agency thereof, and if it is presently maintained in reasonably good repair and condition by current standards.

Section 17. Board of Housing Appeals.

(1) There is hereby created and established a Board of Housing Appeals, which shall consist of three members, namely the Welfare Officer, the Health Officer, and the Fire Chief. The Welfare Officer shall

be chairman of said board. The terms of administrative officials shall correspond with their respective official tenure. The duties of the chairman are to preside over hearings and to administer affirmations; the chairman may vote on all matters. In the absence of the chairman, the board shall elect an acting-chairman from its membership who shall assume the responsibility of the chairman. The rules of evidence prevailing in courts of law or equity shall not be controlling in hearings before the board. The Housing Inspector shall serve as the permanent secretary of the board. The board shall adopt such rules and regulations as it may deem necessary to carry into effect its functions and the provisions of this ordinance. The board shall meet on the call of the chairman. The board shall hear appeals in open meetings. The presence of two members, not including the Housing Inspector, shall constitute a quorum and the concurring vote of two such members shall be necessary to modify or withdraw any notice of the Housing Inspector.

(2) The Board shall maintain a permanent record of all its meetings and hearings, a record of the Housing Inspector's inspection activities and reports, copies of all complaints, notices, orders and replaced correspondence pertaining to its work.

(3) The Board shall render an annual report of its activities to the Mayor and Board of Aldermen of the City of Nashua.

Section 18. Penalties. Any person who shall violate any provision of this ordinance shall upon conviction be punished by a fine not exceeding twenty dollars for each offense; and each day's failure to comply with any such provision shall constitute a separate violation.

Section 19. Personal Non-Liability. No officer or employee charged with the enforcement of this ordinance and acting for the City of Nashua in the discharge of his duties shall render himself personally liable for any damage that may accrue to any person or property as a result of his acts in the discharge of his duties. Any suit brought against any officer or employee because of any act performed by him under the provisions of this ordinance shall be defended by the City Solicitor of the City of Nashua until the final determination of the proceedings therein.

Section 20. Conflict of Ordinances. This Ordinance shall not interfere with or annul any other ordinance, rule, regulation or permit, of the City of Nashua, provided that, unless specifically excepted, where this ordinance is more stringent it shall control.

Section 21. Invalidity. The invalidity of any section or provision of this ordinance shall not invalidate any other section or provision thereof.

Section 22. Take Effect. This ordinance shall take effect upon its passage.

All Ordinances or parts of Ordinances which are inconsistent herewith are hereby repealed.

AN ORDINANCE

AMENDING APPENDIX A8 OF THE "REVISED TRAFFIC REGULATIONS, SECOND EDITION (PUBLIC PARKING METERED AREAS)

(Endorsed by Alderman Francis LaFlamme)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

That Appendix A8 entitled "Parking Meter Restrictions; Penalties, of the Revised Traffic Regulations, Second Edition," as approved May 24, 1961, be and is hereby amended by adding thereto the following:

F. It shall be unlawful and a violation of the provisions of this Ordinance for any person to back a motor vehicle to a parking meter on a public parking metered lot, and the penalty shall be the same as inflicted violations of Sub-section (a) or (b) of this Section.

All Ordinances or parts of Ordinances which are inconsistent herewith are hereby repealed.

RELATING TO HIGHWAYS: SIDEWALKS: STREETS

(Endorsed by Ald. Francis LaFlamme)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

That Sub-section F of Section 31, Part I entitled "Penalty" of Chapter VIII of the Revised Ordinances, 1950, be and is hereby amended by striking out said sub-section and inserting in place thereof the following:

(f) That no person, firm, contractor, company or corporation shall install underground utility services such as water lines, sewer lines, gas mains, telephone cables, television cables, or power lines until a plan locating such services has been filed with the City Engineer. Said plan shall include the location of the proposed underground service in relation to the nearest street and lot lines, which shall be properly identified. Said plan shall also include the relationship of the proposed underground service to the nearest service of the same kind of which it is or is intended to be an extension, now or in the future, and the depth of the utility installation.

(g) No underground utility service shall be installed in public or privately-owned land until an easement therefor has been secured from the owner of the land. The lines of any easement secured for the purpose of installing underground utilities shall be identified on any plan submitted to the City Engineer, and the relationship of the proposed underground service to said easement lines.

(h) Any violation of the preceding sub-sections of this Ordinance shall be punishable upon complaint of the Board of Public Works of the City of Nashua, by a fine of not more than $20.00 levied on the person, firm, contractor, company or corporation causing an underground utility service to be installed without complying with the terms of this Ordinance.

All Ordinances or parts of Ordinances which are inconsistent herewith are hereby repealed.

AMENDING ZONING ORDINANCE AND THE ZONING MAP

(endorsed by Alderman Thomas J. Leonard, Jr.)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

That the Zoning Ordinance and the Zoning Map, as amended, be further amended by changing the area hereinafter described from "S" Surburban District to "LI" Light Industrial District.

Beginning at a point in the South line of Amherst Street at a point where the east line of Lot 108 as shown on Sheet H of City of Nashua Assessor's Maps intersects with the south line of said street; thence running

(1) Westerly by the south line of said Amherst Street to the east line of Lot 3 as shown on Sheet I of said Assessor's Maps; thence turning and running

(2) Southerly by the east line of said Lot 3 and the east line of Lot 4 as shown on said Sheet I of said Assessors' Plans, to the north boundary of the area presently zoned as Light Industrial "LI"; thence turning and running

(3) Easterly by the north boundary of the area presently zoned Light Industrial "LI" to the west line of Lot 20 as shown on Sheet H of said Assessors' Plans; thence turning and running

(4) Northerly by the west line of said Lot 20 to the south-west corner of Lot 48 as shown on said Sheet H of said Assessors' Plans; thence turning and running

(5) Northerly, easterly and northerly by the west line of said Lot 48 to the place of beginning.

All Ordinances or parts of Ordinances which are inconsistent herewith are hereby repealed.

REPORTS OF CITY DEPARTMENTS FOR THE YEAR ENDING 1963

REPORT OF THE BOARD OF ASSESSORS

December 31, 1963

To Mayor Mario J. Vagge

Members of the Board of Aldermen.

Gentlemen:

The Board of Assessors herewith submit the annual report for 1963.

The Board of Assessors and staff for 1963: Chairman David P. Stevens, Paul E. Sirois and Richard G. Ethier. Office staff: Louis A. Richard, head clerk; Mrs. Lois Moran and Mrs. Rela Burns, clerks.

The year 1963 proved to be another record year with considerable building and real estate sales. Figures for 1963 again topped all previous records.

The 1963 total valuation of the City of Nashua was $83,703,852 an increase of $5,925,613. This increase of near six million dollars is the largest increase of any single year in the history of the city. Increased building with new industrial plants, commercial buildings and a large increase in home building resulted in much additional work for the Assessors and the staff.

The work of making adjustments continued and will be continued again in the coming year in an effort to equalize properties.

The State Tax Commission approved a rate of $67.00 which was a decrease of $3.50 per thousand. The large increase in valuations went a long way in decreasing the tax rate.

There were 10,707 inventories mailed out, an increase of 557. Of the 10,707 inventories mailed out 9,165 were returned, an increase of 203.

Veterans exemptions again increased and totalled $2,937,390 or $182,650 more than the 1962 figure of $2,754,740.

The books and records of the Assessors office are open for public inspection during office hours and members of the Board and staff are always willing to assist tax payers.

Respectfully submitted,

DAVID P. STEVENS, chairman
PAUL E. SIROIS
RICHARD G. ETHIER

SUMMARY

ANNUAL REPORT OF THE BOARD OF FIRE COMMISSIONERS FOR THE FINANCIAL YEAR OF 1963 CITY OF NASHUA, NEW HAMPSHIRE

TO THE HONORABLE MAYOR AND BOARD OF ALDERMEN

Gentlemen;

The Board of Fire Commissioners herewith submits its Annual Report for the year of 1963.

The Board met on January 1st 1962 and organized by electing J. H. McLaughlin, Chairman: H. L. Duprey, Clerk and A. A. Beaulieu, Purchasing Agent.

OPERATING PERSONNEL

The operating personnel beginning July 1st was on three platoon system of the Fire Department as follows; Chief, 1st Deputy, 2nd Deputy, 3rd Deputy, Supt. of Fire Alarm, Master Mechanic, 8 Captains, 9 Lieutenants, 82 Privates and one Call Fireman.

FIRE APPARATUS

The following is a list of apparatus stationed in all Stations; 1 - 1963 Chevrolet, 1 - 1960 Plymouth, 1 International Fire Alarm truck, 1 - 1963 Chevrolet Maintenance truck, 1 - 1955 Ford Fire Prevention car, 1 - Mack 1956 Engine, 1 - GMC FWD Engine 1957, 1 - Mack Engine 1947, 1 - Mack 1958 Engine, 1 - Mack Engine 1957, 1 - Mack Engine 1962, 1 Maxim Engine 1942, 1 - 1937 Chevrolet Engine, 1 Mack Engine 1949, 1 - Mack Engine 1958, 1 - Mack Engine 1947, 1 - 1946 - 85' American Lafrance Aerial Ladder, 1 - 1959 - 75' Mack Aerial Ladder, 1 - 1946 Ford Tanker

FIRE PREVENTION BUREAU

During the Year of 1963 the Fire Prevention Bureau transacted 14,882 items of business which concerns dwelling inspections, investigations, complaints, mercantile inspections, heating installations, school inspections and fire drills, places of assembly, industrial inspections, clubs, public buildings and other duties which pertain to fire prevention. We would like to thank the New Hampshire Fire Marshal, the Public Service Co. for the assistance given to us during the past year. We wish to extend our thanks to the Nashua Police Department, Board of Assessors, the Engineers Department, the Board of Health and the City Clerk's Office for their co-operation in aiding the Fire Prevention Bureau to carry out its work. Our many thanks to the Merchants, the owners and occupants of dwellings, Administrators of Institution, the many manufacturing concerns who so willingly accept our recommendations in the prevention of fire. To the Editor of the Nashua Telegraph, the management of Radio Stations W.S.M.N. and W.O.T.W. who so willingly allocate time and space in conveying our messages as a public service to the Community in the PREVENTION OF FIRE.

DRILL-MASTER

All fire fighting personnel had 50 drills conducted at the fire Department training grounds. These drills consisted of ladder evolutions, master streams, smoke house drills, oil pit drills. There were 76 in station drills with all personnel which included gas mask, rope evolutions, resuscitator drills, salvage drills hose evolutions, first aid drills. Two call Men drills were held at the drill field. Company Officers had 225 house drills supervised by the training officer. Training of new personnel on all phases of fire fighting. Attended the University of New Hampshire for a fire department instructor's course, the state of Massachusetts training school at Newport, R. I., and New England instructor's course at Framingham, Massachusetts, operated with the fire prevention bureau during fire prevention week in talks and demonstration for school children throughout the city.

FIRE ALARM SYSTEM

During the year of 1963 the fire alarm system has been kept up and also increased in many ways. We added a transistorized Form 4 Power supply to our panel. By so doing we did away with most of the batteries and increased our voltage from 48 to 72 volts. All our fire alarm boxes were tested six times during the year. Painted 205 boxes and finished rotating boxes on all ten circuits. Tested the fire alarm systems in 18 schools twice during the year. 69 Changeovers were also made. Three thousand feet of aerial cable and three and a half miles of wire was added to our circuits. With these increases it brings our total as follows; 23.3 miles of underground cable, 9.5 miles of Aerial cable and 69.8 miles of wire which in turn gives us a total of 102.6 miles of wire. With an increase of six Master Boxes we now have 75 Master Boxes and have a total of 255 boxes on the ten circuits. All records required by the Board of Fire Underwriters have been kept up to date.

Respectfully submitted,

J. H. McLAUGHLIN
H. L. DUPREY
A. A. BEAULIEU
Board of Fire Commissioners

STREETS

1963 was a year of expansion and progress in street construction and paving.

1. Asphaltic concrete wearing courses were applied to Concord Street (Library Hill to Henri Burque Highway), Main Street (Dickerman Street to Robinson Road), Burke Street (Allds Street to Edgeville Street), Quincy Street (E. Hollis Street to East Pearl Street).

2. Ledge Street from Pine Street to Grand Avenue was rebuilt. Storm drainage was separated from the sanitary sewerage and a 3" asphaltic pavement was applied. Several streets were rebuilt in conjunction with the High Street Urban Renewal Project, namely High Street, School Street, Water Street, Factory Street from Main to Walnut Street and Walnut Street from Factory Street to West Pearl Street. Although these streets were not done by the Public Works Deparment, the City has gained by reduced maintenance requirements. Lund Road from Foxmeadow Road to Almont Street and a portion of Almont Street was regraded and paved with a 2" base of premix asphalt.

3. 100,000 gallons of tar and asphalt were used in resurfacing approximately twenty-five miles of existing streets.

4. 70,000 gallons of tar and asphalt were used in penetrating gravel streets in new developments. The length of the newly paved streets was about 10 miles.

5. Fifty-six new streets were accepted by the Board of Aldermen and as many more are being prepared for acceptance by the land developers.

SEWAGE COLLECTION AND DISPOSAL

The Nashua sewage collection system was greatly expanded in 1963 by the construction of interceptor sewers in the northwest area, the Salmon Brook Area and the South Daniel Webster Area. City sewers extend to the north as far as Pennichuck Street, northwesterly to Round Pond on Amherst Street, southwesterly to Searles Road and to the south as far as Spit Brook Road.

Additional pumping capacity and another settlement tank has been added to the Sewage Treatment Plant to take care of the additional sewage that has now been piped to the plant by the construction of the Salmon Brook Interceptor and the South Merrimack Interceptor. The most southerly sewer outfall into the Merrimack River has been discontinued, and now all the sewage from south of Salmon Brook and south of Lake Street is being treated. This amounts to an average of about three million gallons per day.

A fourteen acre lagoon was constructed between the Nashua River and the Canal easterly of the F. E. Everett Highway. All sewage from the northwest area of the city is being pumped into this lagoon for treatment.

One pumping station at Lund Road and another on Nowell Street was abandoned and dismantled in 1963.

The sewage collection system was expanded by more than ten miles and in fifty-four streets as follows:

RUBBISH COLLECTION AND DISPOSAL

During 1963 agreement was reached with the Nashua, N. H. Foundation and ten acres of land was purchased and an additional thirty acres of adjacent land was leased for a twenty year period. This land is located between West Hollis Street and the Nashua River Canal westerly of the F. E. Everett Turnpike. A wilco Tepee Burner was constructed on the site in December and it is planned that all combustible rubbish will be burned before being buried in a sanitary land fill in the area. The Searles Road Dump will be discontinued, covered and released to the Board of Aldermen for disposal.

GENERAL

The Board of Public Works invited the Board of Aldermen and the Nashua Planning Board to take a bus tour of the Public Works Activities on Saturday, Afternoon, September 7, 1963 to kick off National Public Works Week. Thirty-eight city officials enjoyed a four hour tour of four sewer interceptor projects, two sewage treatment projects, eight subdivisions, three mobile home park developments and the new rubbish disposal site. Radio Station WSMN provided its cook out area and all officials enjoyed a cook out provided by Camp, Dresser & McKee, the Consulting Sanitary Engineers who have advised the city on all sanitary engineering problems for several years. The bus tour was very enlightening to the city fathers and it brought into focus for them the extent of Nashua's growth and the Public Works' problems due to the growth of the city .

REPORT OF THE BOARD FOR THE EXAMINATIONS OF PLUMBERS

To His Honor the Mayor and Board of Aldermen

City of Nashua, New Hampshire

Gentlemen:

The following is the Annual Report of the Plumbing Board for the year ending December 31, 1963.

The membership of the Board consisted of the following:

Artemus Lovejoy, Master Plumber — Chairman

Dennis F. Sweeney, Journeyman Plumber (Died)

Joseph Doyle (elected to fill unexpired term)

Joel B. Hill — Secretary

Gerard E. Poliquin — Plumbing Inspector

Four meetings were held during the year. Four examinations for Journeyman's License were held and one passed.

There were thirty-six Master's License and fifty-two journeyman's License issued during the year.

A total of 977 inspections in 521 buildings were made during the year.

Sixty-eight Plumbing Law Violations were investigated and corrected.

FINANCIAL STATEMENT OF PLUMBING BOARD FOR 1963

Appropriation	$ 100.00

ANNUAL MUNICIPAL GOVERNMENT REPORT
NASHUA HOUSING AUTHORITY
URBAN RENEWAL AGENCY

James R. Griffin,
Acting Director of Urban Renewal

Alexander Buder, Jr.
Acting Assistant Director
of Urban Renewal

TO HIS HONOR MAYOR MARIO J. VAGGE AND THE BOARD OF ALDERMEN.

Gentlemen:

The Urban Renewal Agency herewith submits its Annual Activity Report for the year of 1963.

THE BEST OF CITIES WEAR OUT

This is an inescapable fact of life which sooner or later confronts all municipalities — large and small, old and young, rich and poor. No matter how solidly the founders and original developers may have laid them out for their foreseeable community needs, no cities are built for the ages. They inevitably suffer from erosion, decay and cracks in their foundation, as time goes on.

Blight breeds blight in urban centers, when decay sets in. Rejuvenation, repair, replacement of outworn parts and reconstruction are required to stop it. There are no simple, sure and lasting — and certainly no cheap — solutions to any of our many problems. But these problems must be met somehow if cities are to survive as going concerns. And, nobody has a higher or more personal interest in city preservation than the city citizen himself — the industrialist, the banks, the real estate owner, the storekeeper, the wage earner and the plain taxpaying voter.

BUILDING NASHUA THROUGH URBAN RENEWAL

Urban Renewal is a broad term which refers to the co-ordinated efforts of private citizens and public agencies (both local and federal) to clear existing slums and blight and halt their spread in the future. Urban Renewal is a program designed to encourage private enterprise, in cooperation with public technical and financial resources, to cure local blight.

Urban Renewal produces dollars-and-cents benefits for the local community. New structures in renewal areas result in a substantial increase in tax revenues to the city. At the same time, the value of properties adjacent to the renewal area tends to increase as the blighting influence is removed and investment in rehabilitation and new buildings begins to take place.

Equally important, areas and cities benefit from better design, obsolete land uses and replaced with modern, efficient and pleasant patterns of development. Urban Renewal strengthens the economic base of the entire community as a result of construction activity, new business coming into formerly deteriorated areas, and the resulting increase in employment, payroll and tax revenues.

Private enterprise alone cannot undertake the job of remodeling or rebuilding large, blighted areas, for the cost is generally too great and land assemblage is difficult and often impossible. In some cases, the court costs involved in clearing land titles alone amount to more than the value of the land.

To qualify for federal financial assistance in any urban renewal activity, a community must adopt what is called a "Workable Program" consisting of seven basic elements. This program is reviewed and approved by the Board of Aldermen. The Mayor coordinates its administration with the responsibilities shared by the various city departments and related agencies as follows:

(1) Adequate local codes and ordinances, effectively enforced (City Engineer)

(2) A comprehensive plan for development of the community (Planning Department)

(3) Analysis of blighted neighborhoods to determine treatment needed (Planning Department)

(4) Adequate administrative organization to carry out Urban Renewal Program (Urban Renewal Agency)

(5) Ability to meet financial requirements (Mayor and Board of Aldermen)

(6) Responsibility for rehousing adequately families displaced by Urban Renewal (Urban Renewal Agency and Housing Authority)

(7) Citizen participation (Citizen Advisory Committee)

The original Workable Program certification is for one year. To remain elegible for federal aid, there must be an annual recertification, based upon a "Review of Progress" submitted each year by the community to show that it is taking effective action toward meeting its goals.

THE URBAN RENEWAL AGENCY

The Nashua Housing Authority — Urban Renewal Agency is an independent government corporation, and as such possesses all the powers of a government agency. It has the power to sue and be sued, to make and execute contracts, adopt by laws and regulations. It has the ability to acquire property by any legal means, including eminent domain.

The agency is headed by five unpaid commissioners appointed by the Mayor for a five year term. These men serve as the governing body for the agency. They are citizens of the community whose interest in public affairs and the activities of redevelopment has been demonstrated and who are qualified and competent to act in this capacity.

Serving under the Commissioners is an Executive Director, who heads clerical — administrative personnel and a technical consultant staff composed of specialists in the fields of real estate, relocation, planning and engineering. Legal services for the agency are rendered by local attorneys on a contract basis with compensation based upon time spent by counsel on each project. Contracts may also be made for other pertinent technical and professional services, and for demolition and public improvements.

RELOCATION PAYMENTS

In a federally assisted redevelopment project, families or individuals may receive as much as $200 for moving expenses at no cost to the community.

An occupant may submit a claim for his actual costs of moving. Claims may include costs of packing, insuring and carting of personal property, incidental costs of disconnecting and reconnecting household appliances.

Section 221 - FHA

Redevelopment project occupants with good credit records may use the special Federal Housing Administration (FHA Section 221 Mortgage Program) for home purchases. This program offers low down payments and closing costs, a low interest rate on a $14,500 maximum loan in the Nashua area, and a 40 year mortgage maturity. If a family seems eligible for home purchase under Section 221, it is given an explanation of the program. If asked, the Urban Renewal Agency will initiate the necessary steps for loan application.

Although federal statutes do not require that a redevelopment agency help relocate businesses, the Urban Renewal Agency has always offered full relocation assistance to the business concerns displaced from its project. Costs of relocating a business are paid from funds provided by the Federal Government. The maximum relocation payment to a business concern is $3,000.

The Urban Renewal Agency purchases property at fair value with a minimum of hardship and inconvenience to owners and tenants. Most site residents have a substantial portion of their life savings invested in their homes and businesses and it is extremely important that their investment not be lost. At the same time, the agency must protect the public interest by avoiding excessive prices for property. Parcels are acquired through negotiation whenever possible. Condemnation (through the right of eminent domain) is used only when negotiations fail or are impossible because of title conditions.

In the past, more than 99% of all transactions carried out by the Nashua Housing Authority have been successfully negotiated with the owners, without need for court action.

Before negotiating for the purchase of a parcel, the agency obtaines the independent valuation of two professional real estate ap-

praisers, and their findings must be concurred in by the Federal Government. Every effort is made to assure that the owner receives the same amount of money that he would receive if he put the property up for sale, and sold it to another buyer under normal market conditions. If the owner feels that the price offered is not the fair market value of his property, he has the right to have the value determined by a court or jury.

Through federal aid, Urban Renewal and redevelopment makes it possible to accomplish amazing changes and improvements within the tax limits of the citizen.

The contribution of Urban Renewal or recreation, parks, playgrounds, business, improved facilities, streets and better houses is a contribution to the future prosperity of the city and citizens. Eighty percent of the federal tax dollar come from the cities. Urban Renewal offers the opportunity, through federal aid, for the city taxpayer to receive a benefit from federal funds that otherwise might be lost.

During the year of 1963, the Nashua Housing Authority — Urban Renewal Agency acquired four additional properties, two on the south side of Factory Street and two on the south side of High Street. The structures on the south side of Factory Street were demolished for $3,150 and work under this contract was completed in September, 1963. The demolition of the remaining two parcels on Factory Street was awarded at a cost of $1,900. Work will start as soon as the one remaining occupant is relocated.

Relocation payments which were made at no cost to the city, as the Federal Government paid 100% of the total cost ($27,349.40)

37 families	$ 4,602.06
42 individuals	3,193.07
25 businesses	19,554.27
	$27,349.40

Amount of Property Loss

Businesses	$ 8,683.71
Families	38.00
	$ 9,721.71

Survey and planning work in the Park Street Project Area and the Myrtle Street Project Area was started February 18, 1962. Ninety-nine percent of the buildings in the areas have been inspected and ninety-five percent of the families have been interviewed.

All buildings within the project areas have had the First Acquisition appraisals. Industrial parking is proposed for the re-use of the proposed Myrtle Street Project. Low rent housing, housing for the elderly, housing development by private developers, off street parking, commercial sites, playground and a civic or art center are to be considered in the proposed Park Street Project.

The engineering firm of DeLeuw, Cather and Associates have completed plans for the area in the Park Street Project which is proposed for Early Land Acquisition, and they have been submitted to our Regional Office for informal review. The proposal for the Myrtle Street Project Area has also been submitted for informal review.

Final plans and drawings must be approved by the New York Regional Office of the Federal Housing and Home Finance Agency, and they must also be approved by the Board of Aldermen.

During 1963, we have seen ninety-five percent of the High Street project completed, the municipal parking lots are in operation, a new comfort station and taxi terminal has been constructed, a building with four stores was completed and a super market is expected to open in the early part of 1964.

A request for increasing the cost credits allowed to the City of Nashua for the newly constructed parking lots, has been submitted to the HHFA Regional Office. If this is approved, it will reduce the cost of the parking lots to the city.

The annual election of officers was held and George J. Gingras was elected Chairman. He succeeds Frank P. Stawasz, Charles J. Panagoulias, Vice-Chairman, Maurice L. Bouchard, Treasurer, Samuel P. Bronstein, Assistant Treasurer.

Attorney George S. Pappagianis is the Project Attorney for the proposed Myrtle and Park Street Projects. Attorney Normand R. Pelletier is the Project Attorney for the High Street Project.

The staff of the Urban Renewal Agency is James R. Griffin, Acting Director of Urban Renewal, Alexander Buder, Jr., Acting Assistant Director of Urban Renewal and Shirley A. Miller. Members of the staff have cooperated in giving information and assisting in all requests. Assistance and courtesy to all have been extended.

Respectfully submitted,

NASHUA HOUSING AUTHORITY - URBAN RENEWAL AGENCY

ANNUAL REPORT OF THE NASHUA HOUSING AUTHORITY

For the City of Nashua, New Hampshire

Following is an explanation of the functions of the Nashua Housing Authority Low-Rent Housing Program.

The primary purpose of the public low-rent housing program authorized under the United States Housing Act of 1937, as amended, is to assist the States, counties, and cities, through Local Housing Authorities, to provide decent, safe, and sanitary dwellings at low rents for families of low income, and to eliminate unsafe and insanitary housing conditions. The following are the principal features of this program:

a. In order to participate in the low-rent housing program, the States authorize the creation of Local Housing Authorities; and the city, county, or regional area brings its Local Authority into being by appropriate legal action.

b. The low-rent projects are developed, owned, and operated by the Local Authority with the financial and technical assistance of the Public Housing Administration.

c. The PHA can provide financial assistance for low-rent housing only where the local community has determined that it wants and needs such housing. The first such determination, of course, is in the creation

of the Local Housing Authority. The local governing body is also required to approve the Local Authority's application for a Preliminary Loan for surveys and planning, and enter into a Cooperation Agreement with the Local Authority.

d. When a Local Authority finds there is a need in its locality for low-rent housing for low-income families that is not being met by private housing, it may make an application to the Public Housing Administration for a "Program Reservation." A Program Reservation, when made by the PHA sets aside a certain number of units for the community. The Local Authority may get a Preliminary Loan to pay for preliminary surveys and planning of its projects. The Local Authority, after it has chosen the site and decided on the general plan of a project, incorporates its determinations in a Development Program. This Development Program forms the basis on which the Public Housing Administration enters into an Annual Contributions Contract with the Local Authority. The Local Authority then proceeds with the completion of plans, purchase of the site, and construction of the project. Planning is done by private architects selected by the Local Authority, and construction is accomplished by private contractors on the basis of open, competitive bidding.

e. The Local Authority is required to operate each project solely for the purpose of providing decent, safe, and sanitary dwellings within the financial reach of families of low income. The Local Authority is further required to operate each project efficiently and economically, and to maintain its serviceability.

f. Rents charged to tenants are based on the income of the family and the number of minor children in the family — not on the size or location of the dwelling unit.

g. The Local Authority shall not discriminate because of race, color, creed, or national origin in the sale, leasing, rental, or other disposition of housing or related facilities (including land) included in any Project or Projects initially covered after November 20, 1962, by a contract for annual contributions under the United States Housing Act of 1937, or in the use or occupancy thereof. The Local Authority shall not, on account of race, color, creed, or national origin, deny to any family the opportunity to apply for such housing, nor deny to any eligible applicant the opportunity to lease or rent any dwelling in any such housing suitable to its needs.

The Housing Authority's future plans are:

1. When the final working drawings are reviewed and approved by the Public Housing Administration, the Authority will go out for bid for the construction of thirty units on the Ledge Street Site.

2. There is tentative site approval for a low-rent housing project located in part of the Urban Renewal Project on the north side of Temple Street to the Nashua River and from Cottage Street easterly to a point on Temple Street where the footbridge crosses the Nashua River excluding the Metropolitan Life Insprance Company Building located on the northeast corner of Temple and Cottage Streets.

REPORT OF THE CITY SOLICITOR
YEAR ENDING 1963

May 5, 1964

To His Honor the Mayor and the Board of Aldermen

City Hall Building
Nashua, New Hampshire

Gentlemen:

During the year 1963 I performed to the best of my ability all the duties appertaining to my office as City Solicitor. Upon request I have drafted all resolutions, ordinances, contracts, deeds, leases, easements, written opinions and all other legal instruments affecting the City of Nashua.

I have prosecuted several civil actions brought by order of the City and have appeared in defense of all law-suits brought against the City and its officers in their official capacity.

I have also prosecuted criminal cases in Municipal Court whenever requested by the Chief of Police.

Respectfuly submitted,
LEO R. LESIEUR
City Solicitor

TRUSTEES' REPORT FOR 1963

To Mayor Mario J. Vagge, the Nashua Board of Aldermen and the Citizens of Nashua:

Once again it is my privilege to submit to you the annual report of the Trustees of the Nashua Public Library to which is appended the report of the Librarian.

In last year's report the Trustees briefly outlined the dimensions of a space problem at the Hunt Memorial Library. Modern public library facilities and services in this building are obviously inadequate.

This unhappy situation moved the Board of Library Trustees to have Kenneth R. Shaffer of Simmons College conduct a library survey. His report, when received, will be an important and timely document. It will determine the adequacy of the Hunt Library and relate it to a rapidly growing community. The survey will also determine the need of a new central library as well as develop a word picture of the best kind of central library building Nashua should have. The consultant will work closely with the Trustees, Librarian, City Planner and others as required.

Mr. Elwin A. March was appointed unanimously to fill the unexpired term of Mr. Edward C. Smith on the Library Board of Trustees.

The Board of Trustees is grateful to the Librarian and his entire staff for a year of hard work and for their continued dedication to the growth of the library. Without their interest it would have been impossible to have accomplished all that has made the library a dynamic institution.

It is the hope of the Trustees that during the coming years, the citizens of Nashua will find that their library is able to provide even greater resources for their enrichment. We hope that this report of the activities of the past year will help you envisage the work which you have aided in with keen and sympathetic understanding.

Respectfully submitted,

FREDERICK H. DOBENS,
Chairman
Board of Library Trustees

LIBRARIAN'S REPORT FOR 1963

To the Board of Trustees of the Nashua Public Library:

"A confidence sans bound."
—The Tempest, Act I, Sc. 2.

The Nashua Board of Aldermen unanimously approved a resolution which authorized the Board of Library Trustees to use the interest

of the Hussey Fund for the purchase of books and for whatever other purposes the Trustees deemed fitting and proper. The passage of this resolution permitted the Library Board to employ the services of Kenneth R. Shaffer, Director of Libraries and Dean of the Graduate School of Library Science at Simmons College, to conduct a library survey, which, when completed, will determine the status of the present library as well as a plan and course of action for the future growth and development of the library.

"Never fear spoiling children by making them too happy."
—Bray.

The school children of our community have always been a focal point around which we have centered specially planned services. The services offered by this department under the able leadership of Miss Manning have been many and varied: story hours, film programs, summer reading programs, talks on resource materials, exhibits, booklists, library instruction and visits to the schools. As a result of these activities children's registration has soared to an all-time high of 5,668. This represents approximately 87% of all of the city's children. This, however, has not been done without some problems.

Space within our very limited facilities has been allocated to them. About thirty per cent of our total book budget is spent on books selected to meet their needs. Staff members are employed to work with the children. These resources have become overtaxed with the growth of our school population. We are no longer able to provide more seats, shelf space, nor more personnel to meet the growing demand for services to children. We require a much larger room if we are to give our children adequate service. Of the various age groups we work with, our facilities for children are the least satisfactory. At the Hunt Library, they are relegated to the lower levels, an unsatisfactory place both for children and their books, with a seating capacity of only eight persons. Only in the Chandler Library do we have a room which can be regarded as adequate.

Although in the past many efforts have been made to take public library service to our schools, the increased number of children and the construction of new schools have required us to suspend Bookmobile visits to three schools, which is a substitute for school libraries. I believe, as I have said in previous reports, that every school needs its own school library and the establishment of libraries in some of our new schools has been most gratifying. We shall continue to maintain classroom collections and to lend as many books as possible to schools which are establishing school libraries.

"Search, seek and know."
—Romeo and Juliet, Act 5, Sc. 3.

One of the most important services the Nashua Public Library is asked to perform is that of answering questions. Each question asked at the reference desk of the public library grows out of a problem or a need felt by a citizen of the community. This reference service supplies close contacts between the library and its patrons. It not only reflects individual problems, but also supplies a picture of the community by showing the needs of groups of citizens at a particular time.

An individual need was behind the request of the patron who wanted to know the names of cities in the Midwest and Southwest with a dry climate. She was obliged to leave Nashua because of her health. An industry interested in relocating in Nashua sent a representative to the library to see our geological survey maps of the area.

Another patron wanted an illustration of "Klein's bottle," a term in mathematics. There are innumerable other individuals who have been helped in the solving of their problems, big or little, by the library's reference services.

Group problems tend to follow local, national, or world situations. The library has supplied information about changes in industrial productions and quality control systems. A large group of patrons were concerned about new methods in automated industries while others were interested in the new work and new jobs automation would bring. Many individuals were interested in establishing and carrying on small businesses. Ambitious amateurs wanted information on building or repairing their own homes.

The library does its reference job without fanfare, quietly answering several thousand questions a year, its librarian seeking the best sources, whether the question is to settle a bet or provide material for an all-important term paper. Businesses, students, housewives and the how-to-do-it men have all come to lean on the library as their source of accurate, reliable and up-to-date information.

"Art is not an end in itself, but
a means of addressing humanity."
—Mussorgsky.

The communication triad of music, literature and art are necessary for a library to adequately fulfill its educational function. Under the direction of Miss Spring, in 1963, some of the art shows included a show by members of the Rockport Artists Association; another by the members of the Nashua Artists Association; a photography and print show; and a big showing of the work of Prescott Jones of Rockport.

The library, in 1963, was also the recipient of thirty-eight handsomely and expensively framed reproductions of great works of art. This gift was made possible through the generosity of Mr. and Mrs. Robert B. Hamblett. The reproductions are being circulated for home and office use.

Such gifts are, or course, especially appreciated and will go far in filling an important gap in library service.

"Of gifts, there seems none more beautiful
to offer a friend than a beautiful book."
—Bronson Alcott.

Many books, pamphlets and magazines were given to the library during the year. Many Nashua clubs have honored past officers or members by giving books to the library; individuals have made similar donations in honor of friends or relatives. Photographs and many other items of local interest have been given to the Nashua collection. Unfortunately, it is not possible to list here all the individual donors. However, their generosity and interest in the library were acknowledged when the gifts were made.

"Sure, we thank you."
—Henry V, Act I, Sc. 1.

Besides those who have so generously added to our book resources, the library has benefited greatly by the interest of the Nashua Camera Club, Nashua Artists Association, Second National Bank, Nashua Co-operative Bank and Jean's Foodland. Mr. and Mrs. Robert B. Hamblett, Mr. and Mrs. Albert Lewitt and Archie M. Slawsby warrant special mention for their kindnesses.

The library is constantly indebted to Frederick H. Dobens, editor of the Nashua Telegraph, and his entire staff for their aid in providing an abundance of space for library announcements and stories.

Spot announcements and broadcasts by radio stations WOTW and WSMN helped publicize library activities, also.

My thanks to an understanding Board of Trustees and library staff that want a library capable of sincerely giving able and skilled service to the people of Nashua and to our friends in the community, both users and non-users, who want Nashua's library to be strong because one can only find his truth when its pursuit is free and untrammeled.

Respecfully submitted,

JOSEPH G. SAKEY
Librarian

"There's the black lie, the white lie, and statistics."
—Mr. Anonymous.

Statistics have been known to play strange tricks — even for librarians. Researchers in our profession have indicated that too much reliance on the magic of big numbers places us on the never-ending treadmill of more and more circulation, more and more people until our objectives are lost in the pursuit. I feel that statistics are valuable indications pointing to program directions, patron interest and library policies. They should be used as guideposts, not as justification or evaluation of a library's program. Here are some guideposts:

REPORT OF THE PARK-RECREATION COMMISSION

December 31, 1963

To His Honor, The Mayor, and the Board of Aldermen:

Gentlemen:

The Park and Recreation Commission respectfully submits its annual financial and activities report for the year 1963.

Respectfully submitted,

I. SEYMOUR GOODMAN, Chairman
ALEXANDER BUDER, JR., Clerk
JOHN W. LATVIS, Commissioner
GEORGE G. GOULET, Commissioner
WILFRED GRANDMAISON, Commissioner

ANNUAL ACTIVITIES REPORT
PARK-RECREATION DEPARTMENT
BIDDY BASKETBALL (BOYS)

The Boys' Biddy Basketball League consists of fourteen teams with boys ranging in age from nine to twelve years. This year the schedule began in January and the boys played games on Friday nights and Saturday mornings. Approximately 300 boys take part in this activity during

the months of January, February and March. The Board of Education allowed, as in the past, the following school auditoriums to be used. They were Charlotte Avenue, Ledge Street, Junior High, and Fairgrounds.

BIDDY BASKETBALL (GIRLS)

There were six Girls' Biddy Basketball teams again this year. There were approximately 200 girls who took part in this league. Their schedule also started in January and games were held on Friday nights and Saturday mornings. The same school auditoriums were used through the courtesy of the Board of Education.

J. V. BASKETBALL

This newly formed league was such a success in 1962 that it was continued throughout 1963. This league accommodates boys ranging from thirteen to sixteen years of age. The J. V. Basketball League consists of eight teams and there were approximately 300 boys who participated. As in Biddy Basketball, the J. V. schedule also started in January. All games were played at Ledge Street school on Friday evenings, Saturday afternoons, and Monday evenings.

SKATING

During the past winter season, there have been many fine days for skating. This year one new skating rink was added, which is the South Common, located on Chestnut Street. There are also the rinks located at Atherton Avenue, Marshall Street, Textile Field, St. Andrew's, Elk's Playground and North Common.

A new water pit was installed at Marshall Street. A new automatic lighting system was installed at South Common and Textile Field. A new brush was purchased which is used for sweeping the rinks and a new grading blade was purchased for cleaning the surface of the rinks.

WADING POOLS

The wading pools are located at North Common, Temple Street, Bridge Street, Sullivan Park, Textile Field, Atherton Avenue. For the safety of the children, only about ten inches of water is allowed to accumulate in the bottom of the pool. These pools are equipped with a sprinkler head and water runs constantly.

BASEBALL

The Babe Ruth League consists of eight teams. Boys ranging in age from twelve to fifteen take part. They are registered with the National Babe Ruth League, Inc. and play according to national rules.

An All-Star team was chosen from various teams and the players took part in the State Babe Ruth Tournament in Manchester, N. H.

The New Little League ball park grounds at Textile Field were completed.

Two teams have been added to the Leagues which made a total of ten teams — five for the North League and five for the South League.

North Common is known as the North League and Textile Field is known as the South League. Approximately 150 boys made up the leagues.

SOFTBALL

There are four Girls' Softball teams and girls up to sixteen years of age may take part in this activity.

GREELEY PARK

During the 1963 summer season many people enjoyed the facilities which are located in Greeley Park. The twenty-four fireplaces were used for cookouts and family picnics. More tables were put out for the use of the public.

This year as in the past many youngsters enjoyed the playground equipment which includes slides, merry-go-rounds, swings, etc. There is also a small swimming pool for the children's use which was repaired and painted.

Two attendents keep the different areas of the Park under surveillance. They are Mr. Ernest Laycock and Mr. Grover Dicey.

The plants are grown in the greenhouse next to the Park Department Office. The beds of flowers are planted at Greeley Park, Deschenes Oval, the monument, Stark Square, Foster Square and other spots throughout the city. A Girl Scout flower bed was planted in Greeley Park. Two new flower beds were planted along the walkway.

POP WARNER FOOTBALL

In 1963, there were four local teams and two traveling teams. The four local teams are made up of the Steers, Pepsis, Bankers, and Marauders. The two traveling teams are the V.F.W. Bantams, sponsored by the Veterans of Foreign Wars Post 483, and the Crusaders, sponsored by the Park-Recreation Commission. The Crusaders won six games and lost two. The V.F.W. Bantams were undefeated, and became the Conference Champions.

An All-Star game was played this year between the Crusaders and four local teams. The best players were chosen from the local teams and competed with the Crusaders. The All-Stars won 14 to 0.

PERMITS

Permits for the use of various fields were issued to different leagues free of charge.

PLAYGROUNDS

Many children attended the local playgrounds which were supervised by boy and girl Playground Supervisors. The Supervisors organized games for the children and held various contests.

The Arts and Crafts Instructors visited the different playgrounds with coloring books, leather goods, gimp articles and other items. They taught the children how to make different articles.

Softball and basketball leagues were formed and the teams completed at the different areas.

North Common basketball court was resurfaced for regulation basketball.

On the Fourth of July, a Field Day sponsored by, For A Better Nashua, Inc., was held at Holman Stadium. Awards were given to the winners and refreshments were served.

In August, a similar event was staged, sponsored by the Nashua Lodge of Elks.

At the close of the playground season, candy, gum and ice cream are distributed at each area. Miss Sandra Shislo, Program Director, chose Atherton Avenue as the outstanding playground of the year. Suzanne Dumas and Robert Wheeler, Playgrolund Supervisors, received the Scott Jewelry award from Mr. Maurice Connor, manager of Scott Jewelry.

Elks playground was refurnished with new equipment. As usual all playground equipment was repaired and some replaced.

A new playground was added on the Harris Road which was named Saint Andrews. We also had the use of St. Joseph's orphanage playground. It was loaned to this Department through the courtesy of Monsignor Thomas J. Hansberry.

SWIMMING POOL

As usual all went well at Fields Grove this year. Six lifeguards were on hand at this pool. The Swimming Instructress and her assistant reported large classes which were held every morning.

New steel doors were installed at the bath house.

Everything ran smoothly at Centennial Pool this year. The Swimming Instructress and her assistant also had large classes and these were held daily. There were five lifeguards employed at this pool.

Aquatic Days were held again this year at both pools. The youngsters who were registered in the swimming classes participated in the races and other events. Awards were given to the winners of various events.

BANQUETS

Each year banquets are held for those who participated in the various leagues. At this time, trophies and awards are given out.

REPORT OF THE POLICE DEPARTMENT

May 12, 1964

The Honorable Mayor and Board of Aldermen

City of Nashua
City Hall
Nashua, New Hampshire

SUBJECT: Annual Report of Board of Police Commissioners for 1963

Gentlemen:

The Police Department appropriation for the calendar year 1963 was $417,084.00. $400,515.95 was expended leaving an unexpended balance of $16,568.05. Continuing effort was made to operate the Department as economically as possible without decreasing service or efficiency.

The Police Department collected $20,062.32 during 1963. This amount is separate from the Police Department operating budget and is turned over to the City Treasurer. The sources and amounts of this revenue are detailed on schedule A.

In January of 1963 Commissioner Walter L. Barker submitted his resignation as a member of the Nashua Police Commission. Commissioner Barker served the City of Nashua as a Police Commissioner for over 14 years.

On December 31, 1962 Daniel R. W. Murdock was appointed by the Governor and Council to complete the unexpired term of C. Henry O'Neil. Tearm expired on September 1, 1965. Commissioner O'Neil died on December 21, 1962.

On June 14, 1963 Earle F. Wesson was appointed by the Governor and Council as Police Commissioner to fill the unexpired term of Commissioner Barker. Term expired on September 1, 1963. Commissioner Wesson was qualified and assumed his duties on June 28, 1963.

During 1963 there were 10 appointments, 2 resignations and 2 members retired in the uniformed division of the Department.

Department members who retired were Sergeant Albert Downey and Mechanic Alfred Pelletier. Sergeant Downey joined the Department on October 9, 1922 and retired on July 1, 1963. Mechanic Pelletier joined the Department on December 13, 1937 and served until his retirement, due to disability, on January 1, 1963.

There were 4 highway traffic fatalities during 1963, 2 pedestrians and 2 drivers.

During 1963 two radar speed meters were perchased to aid in the Department's continued effort to curb highway accidents.

As a result of a vigorous recruiting program the Department had a full complement of personnel at the end of 1963.

Continued emphasis was placed on training. 6 members attended specialized courses at St. Anslem's College, Manchester, N. H. 8 members attended a specialized FBI training program at Manchester, N. H. and 64 members attended an FBI conducted course at Police Headquarters, Nashua.

Attached is a report of revenue, a report of arrests and convictions and a roster of Department personnel.

Respectfully submitted,

THEODE DUROCHER, Chairman
DANIEL R. W. MURDOCK, Clerk
EARLE F. WESSON

ANNUAL REPORT — 1963

NASHUA CITY PLANNING BOARD

MEMBERSHIP

Appointed Members:

Donald C. Calderwood (Chairman)	Term expires March 31, 1966
Frank C. Sabluski (Vice Chairman)	Term expires March 31, 1967
Robert J. Cross	Term expires March 31, 1964
William M. Grady, Jr.	Term expires March 31, 1965
James L. Ryan, Esq.	Term expires March 31, 1968
Oliver J. Dambroise	Term expires March 31, 1969

Ex-Officio Members:

Mario J. Vagge, Mayor
Francis LaFlamme, Alderman
Joel B. Hill, City Engineer

Planning Director: (beginning April 1)

Leonard F. Hubbard, A.I.P.

To His Honor the Mayor and the Honorable Board of Aldermen:

There were five principal areas of activity in which the Planning Board was engaged in 1963, namely, Zoning, Major Thoroughfare Planning, Codes, Ordinances, and Urban Renewal.

Proposals for the rezoning of 8 areas in various parts of the city were submitted. These proposals and the ensuing actions are represented as follows:

From "C" Residence to Light Industrial, land adjoining the east side of Mill Street. Approved (Disapproved by the Board of Aldermen.)

From Local Business to "B" Residence, land at the southeast corner of the intersection of Allds and Main Streets. Disapproved (Approved by the Board of Aldermen.)

From Light Industrial and "B" Residence, land on Main Street between Simoneau Plaza and Hunt Home. Disapproved.
From "A" Residence to Light Industrial, land north of Sawmill Road. Approved.

From Suburban to "B" Residence, land east of Sanborn Drive. Disapproved.

From Suburban to Light Industrial, land on Amherst Street including Round Pond. Approved.

From "A" Residence to General Business, land east of the Daniel Webster Highway South, generally behind properties occupied by the Brightside Motel and Elks Home. Approved (Not acted upon by the Board of Aldermen in 1963.)

From "C" Residence to General Business, land at the north side of the intersection of West Allds and Main Streets. Disapproved.

From Light Industrial to General Business, land on Temple Street adjacent to the railroad station plot. Disapproved.

At the end of the year, the Planning Board entered into a contract with the consulting firm of Metcalf and Eddy, of Boston, to make the services of Mr. James Woglum, chief of its Community Planning Division, available to the Nashua City Planning Board for assistance in a comprehensive rezoning study. This preparation of the study and recommendations will require more than a year to complete.

Conferences were held with the New Hampshire State Department of Public Works and Highways staff in reference to major thoroughfare planning for Nashua, oriented particularly toward the relocation of the Turnpike south of urban Nashua and toward the construction of an interchange in the area where East Dunstable Road passes over the Turnpike.

An appearance was made before the Appropriation's Committee of the Legislature in support of House Bill #106 providing $1.5M for the engineering of the new location and interchanges and necessary land acquisition, and for the construction of the East Dunstable Road interchange.

Two local street problems were given study and recommendation. The question of whether Palm Street should extend to Pine Street was referred to the Planning Board by the Board of Aldermen. An adverse recommendation was returned. It was noted that there is an awkward narrowing of Main Street between Lake Street and Allds Street. It was recommended that an engineering study be made so that uniform street width may be achieved in this section of Main Street.

On the Board's recommendation, the City adopted the Fire Prevention Code of the National Board of Fire Underwriters. Also on the Board's recommendation, a Housing Code was adopted after lengthy committee study and preparation. Both these codes were necessary for the continuance of any Urban Renewal program.

Following a study of the distribution of mobile homes within the city and the problems related to the location and operation of mobile

home parks, a mobile home ordinance was adopted by the City on Planning Board recommendation. Briefly, the ordinance permits mobile homes to be located in the City only in parks, and such parks may be established only in the Suburban Zoning District. Parks must include a minimum of 20 acres of land. Plans for a mobile home park must be approved by the Building Inspector, Health Officer, and Planning Board, and the park plan must portray or explain all provisions for furnishing access and utility services. The park operator must secure a license from the Board of Aldermen upon payment of a fee predicated upon lot development. In accordance with the somewhat rigid requirements of the new ordinance, one mobile home park was established during the year, on West Hollis Street west of the Turnpike. It provides 105 lots.

An ordinance was prepared for Planning Board study providing that those engaged in the installation of underground utility services should be required to file a plan for these services with the City Engineer. This material was turned over to the Public Works Department, and was later adopted by the City in the interests of efficiency and the public safety.

Further consideration was given to the need for Subdivision Regulations. As a result of a public hearing, the problem was submitted to the City Solicitor so that a compromise could be worked out between the regulations as drafted and certain modifications suggested by the builders and developers.

In reference to Urban Renewal, a first draft document for the necessary annual preparation of the Workable Program was drawn up. A report relating to the City credits obtainable for its parking lots contained within the High Street Project was prepared for the federal Housing and Home Finance Agency. Many conferences were held with Housing Authority staff and their consultants in regard to the proposed Myrtle and Park Street Urban Renewal Projects.

Expended 1963	23,639.55
Balance	$ 2,665.23

It was with deep regret that the Trustees learned of the passing of Mr. Blaylock Atherton, a member of the board since 1956. His unexpired term was filled by Mr. Jason T. Bickford.

During the season the following work was completed, a new storm drain was laid from the lower end of Section X to Cushing Ave. All roads were graded, lawns cared for, trees trimmed, and all dead wood removed.

The Board of Trustees are very grateful for the gift of one half the cost of a new section of fence that was erected from the end of the present fence to the intersection of Edgewood Ave. and Ashland Street, given by the Barker Foundation Inc. The Board wishes to express their thanks to the Barker Foundation Inc. for making this gift possible.

The trim on the office, garage and other buildings was painted. A section of the fence on Amherst Street was painted.

Work was started on a new section to be built on Cushing Ave. Trees and brush was removed, the ground plowed, and leveled ready to be graded.

Respectfully submitted,

JAMES L. BICKFORD, President
ALBERT A. DAVIS, Secretary

REPORT OF TRUSTEES FOR WOODLAWN CEMETERY

NOTES

Mr. George E. Harris, one of our Trustees, died on November 2nd, 1963. He has served continuously since August, 1927.

Due to the dry weather, last Summer, it was difficult to maintain the grounds, even with constant watering, in good condition; but after the weather became better, the grounds were finally restored to their normal appearance.

No special projects were undertaken during the year, the only exception being the replacement of a section of the sewer system.

In 1964, however, The Trustees desire to complete the Fence on the West Hollis Street side, and will have to purchase a New Truck and install a New Heating System in the Greenhouse.

The Trustees and Superintendent are endeavoring, at all times, to keep Grounds and Buildings in the best possible condition, with the resources available.

Respectfully submitted,

N. F. JENSON, President
ROBERT N. FRENCH, Secretary
Trustees for Woodlawn Cemetery

Nashua, N. H., January 15, 1964

REPORT OF THE OFFICE OF CIVIL DEFENSE

Year Ending 1963

To His Honor the Mayor and the Board of Aldermen
Nashua City Hall
Nashua, New Hampshire

Gentlemen:

During the year 1963 on new property requested for Civil Defense, Police and Fire services with federal participation on a 50-50 matching fund basis, the amount received from federal government was $2,958.50. With the federal government operating on a fiscal year, more money than as mentioned above was due Nashua and will be received in 1964. Surplus property received for Civil Defense and other city departments, which had a federal government acquisition cost of $19,529.90 with a warehouse service charge to the City of Nashua of only $837.10.

The family prototype fallout shelter located in the basement of the Civil Defense building was visited by 160 persons also 19 property owners were assisted by this office in planning the construction of family shelters in their home basements. Construction was started during the year for an underground Emergency Operating Center with a completion date for sometime during 1964. A tunnel from the Civil Defense building basement was constructed in 1964 to permit access to the underground Emergency Operating Center.

Over 7,000 pieces of Civil Defense literature was distributed at meetings or mailed to residents of Nashua. There were 32 news items regards Civil Defense that appeared in the local newspaper plus 2 group interviews and 3 tape announcements over local radio stations. Uniforms, Navy Air Force Blue Type, were provided for 24 auxiliary policemen, balance of personnel to be uniformed in 1964.

Attended 16 group meetings with showing of films and talks on Civil Defense preparedness and survival, 2 meetings with industries, 1 meeting on rural Civil Defense, 2 radiation monitoring group meetings, 10 meetings with Hillsboro County Civil Defense Directors, 89 meetings with local Civil Defense units, and 2 meetings with personnel of Civil Air Patrol.

Attended 2 directors conferences with Office of Civil Defense, Department of Defense in Washington, D. C. and the University of Connecticut. Attended 25 meetings with N. H. Civil Defense Agency and other state departments. Attended 6 meetings with personnel of the Corps of Army Engineers relative to public shelters, attended 4 meetings with personnel from Office of Civil Defense. Department of Defense, Region I, Harvard, Mass. Held 26 meetings with personnel from Department of Employment Security, State of New Hampshire on shelter licenses and recruitment of public shelter personnel. There were 13 buildings marked as shelters, 10 areas were stocked with supplies that will accommodate 6,880 persons. The public shelter survey is not as yet completed, personnel from the Corps of Army Engineers plan in 1964 to update present shelter program and also inspect more buildings for prospective shelter areas.

Respectfully submitted,

OMER H. BERUBE
